Kim Rossmo,1999-12-28 As any police officer who has ever walked a beat or worked a crime scene knows the street has its hot spots patterns and rhythms drug dealers work their markets prostitutes stroll their favorite corners and burglars hit their favorite neighborhoods But putting all the geographic information together in cases of serial violent crime murder rape arson bombing and robbery is highly challenging Just ask the homicide detectives of the Los Angeles Police Department who hunted the Hillside Stranglers or law enforcement officers in Louisiana who tracked the brutal South Side rapist Geographic Profiling introduces and explains this cutting edge investigative methodology in depth Used to analyze the locations of a connected series of crimes to determine the most likely area of offender residence geographic profiling allows investigators and law enforcement officers to more effectively manage information and focus their investigations This extensive and exhaustive work explains geographic profiling theories and principles and includes an extensive review of the literature and research in the areas of criminal profiling forensic behavioral science serial violent crime environmental criminology and the geography of crime For investigators and police officers deployed in the field as well as criminal analysts Geographic Profiling is a must have reference **Worlds Apart** Max Salt,2008-02-22 Survivor of a brutal stabbing and sexual assault Shailene Campbell has the ability to see homicidal sociopaths for what they are This uniquely qualifies her to find and stop them but shouldering this responsibility means breaking the promise to herself to stay safe Now just out of the Army Shailene is trying to rebuild her life She has a job as a computer geek a small and secure apartment in a quiet neighborhood and even a new friendship possibly more with a gentle architect named Mike Things are going well until the bodies of four young boys are discovered in New Jersey s Pine Barrens Keeping her boss and Mike in the dark Shailene takes emergency vacation and goes to Trenton hoping she can find the killer before another boy ends up in a shallow grave There is always risk when she goes out on a mission but she cannot anticipate the personal toll this one will exact **Famous Jersey Cattle** ,1922 The Living Age ,1874 No Son of Mine Jonathan Corcoran,2024-04-01 Born and raised in rural West Virginia Jonathan Corcoran was the youngest and only son of three siblings in a family balanced on the precipice of poverty His mother a traditional evangelical and insular woman who had survived abuse and abandonment was often his only ally Together they navigated a strained homelife dominated by his distant gambling addicted father and shared a seemingly unbreakable bond When Corcoran left home to attend Brown University a chasm between his upbringing and his reality began to open As his horizons and experiences expanded he formed new bonds beyond bloodlines and met the upper middle class Jewish man who would become his husband But this authentic life would not be easy and Corcoran was forever changed when his mother disowned him after discovering his truth In the ensuing fifteen years the two would come together only to violently spring apart As the COVID 19 pandemic raged in 2020 the cycle finally ended when he received the news that his mother had died In No Son of Mine Corcoran traces

his messy estrangement from his mother through lost geographies the trees mountains and streams that were once his birthright as well as the lost relationships with friends and family and the sense of home that were stripped away when she said he was no longer her son A biography nestled inside a memoir No Son of Mine is Corcoran s story of alienation and his attempts to understand his mother s choice to cut him out of her life Through grief anger questioning and growth Corcoran explores the entwined yet separate histories and identities of his mother and himself **Son of Manitou** Albert R.

Booky,1987 Romance adventure and history mingle in this exciting story of early days when the control of the American West was still unsettled Indians outlaws mountain men and settlers all play their part in these dramatic events told from the viewpoint of one family and in particular Sam Sidwell a young hunter and trapper who anticipated the changes that were to come about after the Civil War Albert R Booky was an educator writer and historical researcher His books Apache Shadows Hacienda and The Buckskins are also published by Sunstone Press Apache Shadows was noted as not only being a first class adventure story but one based on solid historical facts **LEAD ME LORD** Pam Lile,2021-04-26 As he fell at her feet unconscious Pam had no idea that her otherwise healthy eight year old son was suffering a very severe brain hemorrhage Nor did she realize that she was taking the very first step of an arduous and painful journey that would demand so much of her Led into the shadow of death this grief stricken mother had no choice but to embrace a very devastating cross and to reconcile it with the God she thought she knew Seventy three days in the hospital she walked the path of Calvary with her son as he struggled to survive and breathe to eat and walk once again Through the chaos confusion devastation and darkness Pam found sparks of hope igniting at every turn Hope in the truly miraculous Hope in restoration Hope in the God she had known and loved This story of suffering and salvation is the journey of a soul who found the love of her God within the cross she was asked to carry It is a journey of painful scars but of even greater blessings a journey of tremendous suffering but also unfathomable grace Between the covers of this book is a glimpse into the heart of one woman and her discovery of Christ within her wounds For anyone suffering under the weight of a very heavy cross this is a story of hope in the promises of God A story of trust when the road is difficult A story of countless blessings on the journey as a very battered Sam was brought forth from the grave and incrementally led to the resurrection bringing his whole family and an entire community of believers with him And after you have suffered a little while the God of all grace who has called you to His eternal glory in Christ will Himself restore confirm strengthen and establish you 1 Peter 5 10 **A Secret Gift** Ted Gup,2010-10-28 An inspiring account of America at its worst and Americans at their best woven from the stories of Depression era families who were helped by gifts from the author s generous and secretive grandfather Shortly before Christmas 1933 in Depression scarred Canton Ohio a small newspaper ad offered 10 no strings attached to 75 families in distress Interested readers were asked to submit letters describing their hardships to a benefactor calling himself Mr B Virdot The author s grandfather Sam Stone was inspired to place this ad and assist his fellow Cantonians as they prepared for the cruelest Christmas most of them would

ever witness Moved by the tales of suffering and expressions of hope contained in the letters which he discovered in a suitcase 75 years later Ted Gup initially set out to unveil the lives behind them searching for records and relatives all over the country who could help him flesh out the family sagas hinted at in those letters From these sources Gup has re created the impact that Mr B Virdot s gift had on each family Many people yearned for bread coal or other necessities but many others received money from B Virdot for more fanciful items a toy horse say or a set of encyclopedias As Gup s investigations revealed all these things had the power to turn people s lives around even to save them But as he uncovered the suffering and triumphs of dozens of strangers Gup also learned that Sam Stone was far more complex than the lovable retiree persona he d always shown his grandson Gup unearths deeply buried details about Sam s life from his impoverished abusive upbringing to felonious efforts to hide his immigrant origins from U S officials that help explain why he felt such a strong affinity to strangers in need Drawing on his unique find and his award winning reportorial gifts Ted Gup solves a singular family mystery even while he pulls away the veil of eight decades that separate us from the hardships that united America during the Depression In A Secret Gift he weaves these revelations seamlessly into a tapestry of Depression era America which will fascinate and inspire in equal measure Watch a Video *Littell's Living Age* Eliakim Littell,Robert S.
