## My Silly Of Opposites:

*The Opposite Lane* Acidophilus Bifidus, 2012-04-15 14 year old born blind Luciana and 28 year old Russian emigrant Max two romantic intelligent and disadvantaged people in Australia who struggle to find their place in society but find themselves in rather awkward situations instead They enjoy communicating with each other by email but fail to meet in person although the vicissitudes of fate confront them again and again The book consists of two parts Part One is narrated by Luciana while Part Two contains Max's notes The humour of the characters is sad and ironic sometimes rising to outright sarcasm Their comments are honest though not void of certain controversy bias and exaggeration Complementing each other they allow to observe the described events from different viewpoints and obtain impartial judgment about the heroes and their actions The novel contains nude scenes and references to adult themes however its scope is far wider than that Torn Wisam Patros, 2012-03-15 Torn The story about love and family What happens when one has to decide between the two Choosing one over another may not be the best decision but it's the decision made One's choice impacts how much they love and who they live their life with Tommy is a first generation Middle Eastern Chaldean American who has grown up in two worlds One is the life he has come to know growing up as a child in America It's the one he has become accustomed to The other is the foundation of his culture in which he and his family are deeply rooted The culture is what makes his beliefs his thought processing and sense of morality The one thing in the way of making it an easy decision to make is the one person that he would be willing to give it all up for He tries to create and maintain love on his own but having his family also be supportive of it is an ongoing battle that he must face on his own The emotional struggle and turmoil between his heart and his head wears on him Leaving Tommy only one option that is to decide **Opposite the Jail** Mary Andrews Denison, 1858 The Opposite of Certainty Janine Urbaniak Reid, 2020-05-12 This gripping memoir about what it means to face uncertainty details the plans Janine had for her family and her life that were gutted by her then 10 year old son Mason's diagnosis of a cancerous brain tumor only to be followed by her own cancer diagnosis All Janine Urbaniak Reid ever wanted was for everyone she loved to be okay so she might relax and maybe be happy Her life strategy was simple do everything right This included trying to be the perfect mother to her three kids so they would never experience the kind of pain she pretended not to feel growing up What she didn't expect was the chaos of an out of control life that begins when her young son's hand begins to shake and he is diagnosed with a brain tumor at age 10 This moving memoir is the story of Janine's reluctant journey beyond easy answers and platitudes She searches for a source of strength bigger than her circumstances only to have her circumstances become even thornier when she is diagnosed with breast cancer Drawn deeply and against her will into herself she discovers hidden reserves of strength humor and a no matter what faith that looks nothing like she thought it would The Opposite of Certainty is Brilliant breathtakingly honest and sometimes very funny account of marriage motherhood and the unfathomable salvation we find in God An unvarnished look at defying the gravity of challenging life

circumstances The recognition that anyone can tap a source of strength inside themselves to walk through the impossible Beautifully written and deeply hopeful Janine shows us how we can come through impossible times transformed and yet more ourselves than we've ever allowed ourselves to be
