Trek creator Gene Roddenberry and the show's producers. In his trademark visceral no holds barred style the legendary author broke a thirty year silence to set the record straight about the mythologized controversy surrounding the celebrated episode revealing what occurred behind the scenes during the production. Presented here as Ellison originally intended it to be filmed this published teleplay of *The City on the Edge of Forever* remains a masterpiece of speculative fiction and a prime example of his uncanny ability to present humanity with all its virtues and faults.

Star Trek Duncan Barrett, Michèle Barrett, 2016-08-05 In a world shrunk by modern transport and communication Star Trek has maintained the values of western maritime exploration through the discovery of strange new worlds in space. Throughout its fifty year history the starry sea has provided a familiar backdrop to an ongoing interrogation of what it means to be human. This book charts the developing Star Trek story from the 1960s through to the present day. Although the core values and progressive politics of the series' earliest episodes have remained at

the heart of Star Trek throughout half a century in other ways the story it tells has shifted with the times While The Original Series and The Next Generation showed a faith in science and rationalism and in a benign liberal leadership with Deep Space Nine and Voyager that modern order began to decline as religion mental illness and fragmented identities took hold Now fully revised and updated to include the prequel series Enterprise and the current reboot film series this new second edition of Star Trek The Human Frontier published to coincide with Star Trek s golden jubilee celebrations addresses these issues in a range of cultural contexts and draws together an unusual combination of expertise Written to appeal to both the true Trekker and those who don t know Star Trek from Star Wars the book explores and explains the ideas and ideals behind a remarkable cultural phenomenon [The Star Trek Craft Book](#) Angie Pedersen,2013-04-30 A collection of 25 fun and unique Star Trek inspired crafts from accessories to decor to toys Featuring full color photographs and easy to follow step by step instructions this clever craft book puts a fresh spin on Captain Picard s order to make it so **Star Trek FAQ (Unofficial and Unauthorized)** Mark Clark,2012-04-01 This book is not endorsed sponsored or affiliated with CBS Studios Inc Paramount Pictures or the Star Trek franchise Star Trek FAQ tells the complete story of Star Trek from the before the beginning the books films and TV shows that inspired producer Gene Roddenberry to create Star Trek until after the end when the show emerged as a cultural phenomenon in syndication and including dramatic behind the scenes stories e g Leonard Nimoy s struggle with alcoholism and actress Grace Lee Whitney s controversial firing often omitted from authorized histories of the program Along with in depth looks at the pre and post Trek careers of the show s iconic leads Star Trek FAQ includes profiles of guest stars and redshirt extras alike as well as the many writers technicians and artisans whose efforts enabled Star Trek to take flight The book also explores the show s unprecedented resurgence in the 1970s with chapters devoted to early Star Trek fiction merchandising and the short lived animated series Combining a wealth of fascinating information about every facet of the show s production with original analysis of Star Trek s enduring appeal and cultural influence Star Trek FAQ goes where no Star Trek book has gone before *Star Trek: Strange New Worlds* Dean Wesley Smith,1998-07 Containing original stories by more than 3 000 fans of the series this Star Trek anthology is part of a continuing contest the rules of which are included in this volume *The Fifty-Year Mission: The Complete, Uncensored, Unauthorized Oral History of Star Trek: The First 25 Years* Edward Gross,Mark A. Altman,2016-06-28 Volume one of a fifty year oral history of Star Trek by the people who were there in their own words sharing never before told stories **Truth and Rumors** Bill Brioux,2007-12-30 When you first heard it you couldn t believe it Jerry Mathers from TV s Leave It To Beaver had been killed in Vietnam Then word came that Abe Vigoda the actor who played the curmudgeonly cop Fish on Barney Miller was dead and that Mikey who would eat anything as the Life Cereal tyke had eaten too many Pop Rocks and exploded Besides exposing us to things we couldn t otherwise believe television can convince us of things that never actually happened But how did these outrageous TV legends get started How did they spread from classrooms to boardrooms across

North America and beyond And most important what do these rumors so quickly transformed into facts and common knowledge reveal about our relationship to reality through the medium of television Put in other words what exactly is it that were doing when were dealing in these fabulous rumors are we chasing after surprising truths or simply more incredible entertainment To take one telling example Jerry Mathers was not actually killed in Vietnam but the basic sense of this lie wasn't far removed from the emotions factually expressed in the two page spread of the faces of the dead in Time magazine In the course of this compelling work which is supplemented with interviews with many of the people implicated in these rumors author Bill Brioux exposes the reality behind the many stories that currently circulate in our culture Through these stories both true and false he sheds a revealing light on just what role these rumors play in contemporary society and what role our society plays in regard to these rumors as well

The Fifty-Year Mission: The First 25 Years Edward Gross, Mark A. Altman, 2016-06-28 Breathtaking in scope and depth this uncensored oral history is a must read for Star Trek lovers Booklist starred review The original Star Trek series debuted in 1966 and has spawned five TV series spin offs and more than a dozen feature films The Fifty Year Mission is a no holds barred oral history of five decades of Star Trek told by the people who were there Full of behind the scenes detail and surprising revelations it is the unauthorized uncensored and unbelievable true story behind the making of a pop culture phenomenon In their own words hundreds of television and film executives programmers writers creators and cast members unveil the oftentimes shocking story of Star Trek's pioneering vision constant reinvention and ever expanding universe an epic saga that spans from the classic series to the animated show More than just a book for Star Trek fans The Fifty Year Mission is for all fans of pop culture and anyone interested in the nuts and bolts of a television touchstone
