My Heart Goes Home:

My Home Is Where My Heart Is Edith Gross Prigge, 2018-03-05 My Home is Where My Heart Is and my heart is right here in the Northwoods of Wisconsin Yet part of me will always belong to the old country since two of my kids and their families still live in Switzerland I am remarried now and also have four stepchildren and five step grandchildren All together we have eight kids now and four of them live within sixty miles from us How much better could I have it Some of my great grandkids live in the area too and so we can also be part of their lives But being retired gave us the time to visit the others more often Dennis Prigge and I were married in July 2002 He lived in Missouri and I was here in the Northwoods At first I thought I would move to be with him after I retired Then one day Dennis asked me What would you say if we stay right here in Wisconsin He said I lit up like a Christmas tree Oh yes I would like to stay right here where I have lots of family and friends So in November 2002 we bought this little log cabin I retired in February 2004 and now we have the rest of our lives to remodel our little log cabin in the woods It is still a work in progress But I now can sit back and enjoy the last years of my life however many it will be My heart has finally found peace and happiness

Vail,2014-06-04 Matthew Stevenson and Kayty Oakley met at the tender age of seven They quickly became best friends and loyal confidants They experienced many endeavors together in their childhood in the 1970 s As they rolled into their teenage years amid the 1980 s even more ventures fell into their lives some of which included everyday common occurrences that were surrounded by goodness and excitement Some of their adventures contained trauma and struggle The love between Kayty s and Matthew s hearts was destined to be interlaced throughout the infinity of time so they tied the knot Their strongest emotions are tested by the trauma that threatens to sever their heartstrings Will this pending threat take one of them out of the equation of life Will their love be strong enough to make them hold on **The Heart of Poetry** Jessica L Shahinian,2015-12-17 After involuntarily moving to Indiana in my early teens and due to no fault of my loving parents my life began spiraling out of control Kicked off by various drugs deep depression sleepless nights anorexia countless thoughts and attempts of suicide and zero self worth life no longer held any purpose except to transpose my raw dark emotions onto light paper for everyone to experience after my premature death Through poetry I recorded how my life transitioned from incredibly depressing and near an injudicious passing to undoubtedly blissful and intriguing Now in every incredible moment in my life I always smile look at the scars on the inside of my wrists and think if I would have succeededI would have never lived to enjoy this Not Yesterday, Not Tomorrow, Today Ruth H. B.,2022-12-16 This book jumps from present to past in my moments of PTSD when I relive the events that make these entries The entire time from when I was six years old to when I am thirty years old in 2020 forms the complete book you now hold in your hand Through the journey you take with me my past is slowly disclosed in sections via chapters I have a chapter for each phase of my life I was struggling with such as depression PTSD abuse and the major one for me my miscarriage and death of my son which is what birthed this book This book was designed to be in the form of a journal instead of a communication between two people so that you could take this journey with me in these different areas of my life and because these journal entries were my therapy and way to survive Through my journal entries in this autobiography you can feel the raw emotion with me in the moment You will feel the thoughts as they dripped with reality I was very much a part of each chapter disclosing the very real struggle in which I was thrown Slowly the entire picture is painted before you With every step you take into my journey you become one step closer to understanding what life was like for me This isn t your typical autobiography where someone sits and tells you about their life In this autobiography you get the chance to live it with me and all the people that it includes and all the experiences it conveys You travel in my footsteps through my memories of the life I have lived and currently live You read the experiences that have shaped the person who stands here today This wasn t an easy road for me and it has taken much courage to display these very authentic and real pages from my actual journal during this time My aim is to have this help someone see the positive in life and be an encouragement in rough times in the wisdom I disclose from these experiences in my life However it is mostly for myself to say I am still here to give a voice to the little girl who has been trapped inside for thirty years and to

show the many ways that I am still fighting this fight It is to give a voice to my son and the reality of miscarriage many do not see and those who do live with it on a daily basis This is to give a voice to the all the struggles this covers and to the one struggling and to break the silence Are you ready to come Are you to come on this journey with me My Heart Is a Large Kingdom Robert N.
