Smith, Stephanie Harvey Danker**

My Horses My Teachers:

My Horses, My Teachers Alois Podhajsky, 2021-08-01 This classic memoir by the former director of the renowned Spanish Riding School explores the age old relationship between horse and rider Timeless inspiring and full of valuable advice A book every rider should read **“MY HORSE, MY TEACHER, MY FRIEND” A Collection Of Life Lessons, Observations & Reflections From A Life With Horses. Volume 1** Andree L Ralph, 2015-06-18 There is a well known saying that when the student is ready the teacher will appear Buddhist Proverb well my teachers have appeared in the form of horses and continue to do so Anyone who has spent any length of time around horses cannot have failed to have observed some of the profound lessons they are able to teach us The question however is whether we have actually learnt from them Inside the covers of this book you will find some of those lessons that I am now sharing with you so that their legacy can grow and ripple outwards There have been so many lessons but these are some of the most important They are presented through pictures thoughts and observations including those given to me by our horses and ponies and also through some of the journal and blog entries I have made to illustrate the lesson They are not in any particular order and can be read as a kind of journey as we have experienced them or as individual gifts of motivation and learning whichever suits you **The Horse Is My Teacher** Van Hargis, 2022-10-25 Stories from a rural working life that teach us how to be better horsemen and better people Van Hargis grew up in the saddle on an East Texas ranch training his first horse at age 12 and eventually making a living starting cutting and reining colts many of which would leave his hands to become champions Naturally outgoing labeled a talker by teachers in grade school Hargis shared stories and lessons from his work with horses early on Here in his first book he reaches out to readers with a collection of down to earth highly relatable tales experiences that over the years have impacted his own horsemanship and life in significant ways Readers absorb fundamental knowledge of horses skillfully embedded in genuine anecdotes straight off the ranch How Grandma s cross stitch laid the groundwork for more patience when starting colts and trailer loading How a daughter s temper tantrum helped perfect timing of the release of pressure How the way Mom worked the gate when sorting cattle taught you to look for what the horse really wanted to achieve How playing on championship football teams provided the understanding of true partnership between rider and horse With easy to remember quotes to anchor what readers learn and practical tools that can be used in the arena or on the trail by Western or English riders *The Horse Is My Teacher* imparts the principles of great horsemanship while also inspiring each of us to apply those same principles to further our own personal growth and success Wow, My Teacher is a Horse! Paulien Rutgers, In *Wow my teacher is a horse* scientifically based theory and practical examples clearly explain how the horse can play a role in strengthening executive functions through experiential learning Since 2004 Paulien Rutgers has been working in horse assisted interventions which aim to encourage children with specific needs to develop their strenghts and abilities More than half of these children suffer from school dropout and or risky behavior They need support for one or more executive functions

with feedback to their family and school. Horses have a positive effect on the learning ability, self-reflection, and the awareness of these children. In this book, Paulien Rutgers brings together all her experience and the results of her search for the explanation of the effect that horses have on the behaviour and cognition of the target group. She attended national and international symposia, lectures, and courses, studied articles and books, conducted passionate interviews with researchers and colleagues, resulting in a conclusive theory which translates into practice. This is an indispensable book for students of Animal Assisted Therapy, courses of applied social studies, pedagogy, and psychology, as well as for teachers in those studies and for professionals in the field of animals in care.

Horse is My Teacher Van Hargis, 2022-11-22. Stories from a rural working life that teach us how to be better horsemen and better people. Van Hargis grew up in the saddle on an East Texas ranch, training his first horse at age 12 and eventually making a living starting cutting and reining colts, many of which would leave his hands to become champions. Naturally outgoing, labeled a talker by teachers in grade school, Hargis shared stories and lessons from his work with horses early on. Here in his first book, he reaches out to readers with a collection of down-to-earth, highly relatable tales, experiences that over the years have impacted his own horsemanship and life in significant ways. Readers absorb fundamental knowledge of horses skillfully embedded in genuine anecdotes straight off the ranch. How Grandma's cross-stitch laid the groundwork for more patience when starting colts and trailer loading. How a daughter's temper tantrum helped perfect timing of the release of pressure. How the way Mom worked the gate when sorting cattle taught you to look for what the horse really wanted to achieve. How playing on championship football teams provided the understanding of true partnership between rider and horse. With easy-to-remember quotes to anchor what readers learn and practical tools that can be used in the arena or on the trail by Western or English riders, *The Horse Is My Teacher* imparts the principles of great horsemanship while also inspiring each of us to apply those same principles to further our own personal growth and success.

My Horses, My Teachers. Translated by Eva Podhajsky Alois Podhajsky, 1968. *My Horses, My Healers* Shelley R. Rosenberg, 2006-10-06. *My Horses, My Healers* begins as a childhood drama of sexual abuse in the life of the author, and through the healing power of interacting with horses, Shelley Rosenberg transforms her experience into a protocol for self-healing through the willingness to be with the horse. For riders of all ages, for anyone who has experienced alienation from their own human kind in their days, for anyone who loves horses, this book resonates with the good that can come from watching horses and humans interact and teach one another about the language of direct communication, feelings, and healing through truthful speaking of our emotions.

Equine Muscle Magic Nairn Jackie Nairn, Jackie Nairn, 2010-04. *Equine Muscle Magic* was designed for every horse owner in a user-friendly, step-by-step fashion so that you can make profound changes in your horse's health and performance through massage. At the same time, you will build a multi-level connection in your human-horse relationship deeper than can be imagined. Learn how to clear your mind, perform stretches for horse and rider, success, and master the mechanics of a successful equine massage. A 10-minute massage will get you

started Then understand the importance of building a Body Map and finally be able to perform a one hour full body massage for your specific equine discipline

The Man Who Listens to Horses Monty Roberts,1999-01-26 This spellbinding memoir details the extraordinary life of Monty Roberts a man whose gentle compassionate training methods transforming the once brutal practice of horse breaking throughout the world are redefining the way we think about communication not only between other species but between ourselves Over the past year more than a million people have been uplifted by Roberts book from animal lovers to business leaders and everyone in between Amusing poignant riveting and humane *The Man Who Listens to Horses* is that rare book that brings us into the company of a man and his magic and opens us to the world of animals

Horses, Humans and Social Agency Lynda Birke, Kirrilly Thompson, 2017-12-12 This original and insightful book explores how horses can be considered as social actors within shared interspecies networks It examines what we know about how horses understand us and how we perceive them as well as the implications of actively recognising other animals as actors within shared social lives This book explores how interspecies relationships work using a variety of examples to demonstrate how horses and people build social lives Considering horses as social actors presents new possibilities for improving the quality of animal lives the human condition and human horse relations **Mirror Horse** Tamara Williamson, 2023-04-29

English Canadian indie musician Tamara Williamson offers an unbridled account of a life in the world of horses From her first clever little bay pony Stroller to brilliant ribbon winning Fletcher Tamara Williamson recalls the many significant horses in her life grappling with what it means to be horse obsessed and what drives this desire to connect with horses As Williamson discovers during the tumultuous years of relationships with people and horses these complicated equine creatures reflect back to us our best and worst selves Woven throughout the stories of individual horses in Williamson s life is her own story of a creative chaotic challenging and adventurous life Raised by an eccentric family with a distant mother who disappeared into alcoholism and a charismatic father who left one sunny morning with a younger woman Williamson struggles with dyslexia and a sense of increasing detachment Horses and the exacting sport of dressage provide her with opportunities to connect sometimes imperfectly Her drive for accomplishment in equestrian sports whether as a trainer or a rider is regularly at odds with the fear that lingers from a traumatic childhood riding accident While reckoning with the financial and psychological expense of training and competition and with the multitude of industries that benefit from horses Williamson never loses sight of the enormous burden of responsibility she feels toward horses and the respect she has for their individual characters memories and instincts On the surface Mirror Horse is a book about horses but beyond the bridles and braided manes Williamson crafts a complex story about courage family and the unexpected places where we find a reflection of our souls As a rider you can confuse yourself with being the teacher but horses are constantly showing us something important They are holding up a mirror A percentage of the author s royalties from the sales of this book will go to the Canadian Horse Defence Coalition **Horses for Courses** Russell S. Stokes, 2018-06-29 I started writing this book many years ago and it has just been gathering dust as I did not know the process involved in getting a book published However I went on a holiday to Malaysia and I was telling a lady friend I had just met that I had enough information about horses to write three books The first one is

for beginners Without my knowledge she contacted a book publisher and started the ball rolling For myself learning about horses was all hands on working and learning over many years However these days new riders are learning from TAFE courses riding schools pony clubs books and the internet In my day this was not the case I left home at the age of fourteen to start learning about horses as from a very early age I knew I wanted to be a jockey My love for horses has never faded

The Everything Horse Book Karen Leigh Davis,2008-10-17 The horse is a majestic animal that needs the utmost in care and love Luckily for horse owners and appreciators this fully revised and updated second edition is a detailed introduction to horse companionship and care This handy guide features all you need to know about horses including information on Anatomy and physiology Feeding and grooming Traditional and alternative treatments for health problems Dressage jumping and other types of horsemanship Careers with horses And more This edition also includes completely new material on horse colors and markings parasite control training philosophies entering horse shows and more The Everything Horse Book is an ideal gift for anyone who has ever been interested in our equestrian friends

What Horses Really Want Lynn Acton,2020-07-07 A book chock full of answers to horse behavior questions that will change your horse s life for the better Horses want partners they trust Meeting their need for security makes them more tuned in calmer and more reliable In her engaging book highly illustrated with professional color photographs certified riding instructor Lynn Acton MS shows you how with practical step by step instructions You ll see that progress can be surprisingly fast with methods that are gentle time tested backed by science and that make intuitive sense to your horse Discover how to earn trust and make training more efficient by engaging horses innate intelligence maintaining clear two way communication and considering their point of view This leadership approach has been used successfully for centuries by people of all backgrounds and skill levels on horses at all levels of training Acton refers to this relationship as Protector Leadership because you are the horse s protector In these pages she combines extensive horse experience and an academic background in social dynamics with in depth research She interprets and cites the scientific findings that explain why Protector Leadership works and offers valuable insights into equine psychology while exposing myths that are sources of problems Plus Acton includes Things to Try at the end of each chapter fun and easy to implement exercises that help you engage your horse as a thinking partner Throughout the narrative includes stories of Acton s progress with her own horses including mistakes and hindsight and especially the transformation of the book s cover girl Brandy from a dangerous throwaway to a happy reliable partner Clear detailed photographs show the subtle body language of horses and people and illustrate critical interactions that make a real difference in our relationships communication and training These are a few of the concrete skills you will learn Earn trust starting the moment you meet a horse Recognize misbehavior that actually means your horse is thinking like a partner Turn pressure into clear communication instead of stress Use Positive Reinforcement for better learning behavior and reliability Turn anxiety and spooks into confidence building situations Discourage unwanted behavior without punishment Allow your horse appropriate

choices and freedom As your bond strengthens you can enjoy watching your horse s true personality blossom A thoughtful progressive book for riders of all disciplines and students of the horse of all experience levels I Love Horses Steven D. The Top Books of the Year My Horses My Teachers The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. My Horses My Teachers : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. My Horses My Teachers : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
