**Handbook for Being Human** Neo, 2022-02-02 I have asked myself early on what is holding our so called world together at its core Who follows whom and why Why do so many spend their lives asleep lurching from supposed obligation to obligation always carrying powerlessness as baggage Why do their lives constantly consist of minor or major drama What makes man so unbalanced that he wars with himself What is the cause of his arrogance towards nature and towards his fellow men How do people love Do they love consciously at all or is it animal desire And why are so few aware of themselves Why do I see so many people devoting their lives only to the animal principles of being such as sleeping feeding reproducing fighting and struggling Why are they not driven by something higher by a greater meaning of life Do they not seek that at all I don't know the answers to this but since the mass of slaves is growing every day I am stepping up in order to put an end to it To wake you up and be there when you have recognized the slave like slumber and want to break through I see your pains and your drama your search and your wandering and I know the solutions Therefore I am handing you a very precious gift My realizations and insights so that they may become a faithful companion to your self determined life Wake up you are not alone I am already waiting for you Neo      **Being a Human Being** Alan M. giving you Things To Think About      **Modern Human's Handbook** Cave Man, 2020-09-02 This book's goal is not to make you feel better about yourself or improve your life. It may help you in those regards, but this book's essential aim is to teach you what life is and how to deal with it. This book is kind of a compilation of great thinkers before me like Nietzsche, Dostoyevsky, Jung, Frankl, Marcus Aurelius, and some others. In this book, I tried to take their ideas and adapt those ideas to the modern world. In order to explain those ideas, I shared my personal experiences. That's why I use a pen name instead of my own name. As a big George Orwell fan, I tried to make this book as simple as and as short as possible. I hope you can find some wisdom in this book to help you in your difficult times. Disclaimer: I edited this book. Since I'm not a professional editor, there might be some mistakes here and there. So beware of that before buying this book. If you spot one, please email me at [yousuckasawriter@gmail.com](mailto:yousuckasawriter@gmail.com) so that I can update it. I want this book to help people, but I also want to make some money off it. Considering the person who can't afford 20 bucks is more likely to need more help than the one who can afford it, I would be a hypocrite if I didn't offer a free solution. So if you really can't afford it, just email me at [imdevelopinganapp@gmail.com](mailto:imdevelopinganapp@gmail.com) and I will send you a pdf copy in 10 days.
