My Land Has A Voice:

Voices of the American Indian Experience James E. Seelye Jr., Steven Alden Littleton, 2012-11-30 In a single source this comprehensive two volume work provides the entire history of American Indians as told by Indians themselves **Voices of the American Indian Experience** provides unique insights into American Indian history by focusing on Indian accounts instead of on relying on other sources As a result their voices are clearer and readers learn more about Indians directly from Indians rather than through accounts that are filtered diluted and possibly even misinterpreted by an outsider's perspective The volumes comprise a vast and fascinating variety of sources that span creation stories from Native American prehistory to Indians who met the earliest Europeans to visit the Americas all the way through to American Indians who served in recent foreign conflicts in the U S Armed Forces This work provides information that is essential to fully understanding the history of the United States and will be a valuable resource for advanced high school students and college students as well as general audiences with an interest in history or Native American culture **My Land, My Life** Siobhan

McDonnell, 2023-10-31 Throughout Oceania land is central to identity because it is understood to be spiritually nourishing and sustaining Land is the mother Land and the kinship it nurtures is the basis for sustaining livelihoods and ways of life Therefore Indigenous dispossession from the land has deep and far reaching consequences **My Land My Life** Dispossession at the Frontier of Desire explores the land rush that took place in Vanuatu from 2001 to 2014 which resulted in over ten percent of all customary land being leased In this book Siobhan McDonnell offers new insights into the drivers of capitalist land transformations Using multi scalar and multi sited ethnography she describes not simply a linear march toward commodification of the landscape by foreign interests but a complex web replete with the local powerful Indigenous men involved in manipulating power and property McDonnell meticulously describes land leasing processes and maps the relationships between investors middlemen and local men She shows how property is a tool with which foreigners reassert capitalism and neocolonial control over Indigenous landscapes The legal identity of landowner contains foundational contradictions between the rights established in Vanuatu's kastom system and those afforded by property as individualized rights over land Property has also created sites for the production of masculine authority and enabled men to manipulate claims to land and entrench their personal power This book explores how transactions of customary land have created new domains of agency and frontiers of desire foreign desire to possess land and local desire to lease land for cash It concludes with a discussion of Vanuatu's constitutional and land reform package drafted by the author which took effect in 2014 and delivered a more empathetic approach to Indigenous land rights and ended the land rush Informed by decades of study legal work and community engagement **My Land My Life** demonstrates an engaged anthropological practice based on reciprocity that responds directly to what Indigenous people have asked for This book is certain to appeal to a wide range of scholars as well as policy makers **The Holy Bible** ,1866 **Voices of the Poor** ,2000 El libro recoge la voz de mas de 40 000

personas pobres de 50 países y es la primera parte de la serie denominada la voz de los pobres para este estudio se utilizan métodos participatorios y cualitativos de investigación y presenta de manera muy directa a través de la propia voz de las personas pobres las realidades de su vida La mayoría considera que está en peores condiciones y tiene más inseguridad que antes

A Closer Tomorrow Matt Caffrey, 2013-01-17 A beloved merengue song a phantom from the fifties connects a haunted cast of characters each in search of redemption Elderly merengue star Ignacio dos Santos wrote this popular song Estrellita Luminosa He once did the mambo with Hollywood star Marilyn Monroe and lived a fulfilling life After enduring twenty years as an alcoholic in self exile he now dwells in a masochistic world of memories and regrets as he searches for a reason not to self destruct He finds sanctuary in the brutal cockfighting pits he once turned his back on Through the victories of Mr Mestizo a champion rooster Ignacio chases his deliverance towards the grave Also in the Dominican Republic are young Maximo and his sister Lourdes Tragically a crocodile severs Maximo's leg and shatters his dream of one day pitching for the New York Mets The incident sets his life on a collision course with a vicious human trafficker who is after his sister In order to save her Maximo must conquer his fears and battle against his own physical and emotional handicaps After Jaragua saves a man's life in prison a secret society welcomes him into a world of death matches and drug smuggling Despite the madness in his life he remains devoted to a beautiful merengue singer named Estrellita He must now choose between the darkness within and the only woman he has ever loved All of these damaged characters have decisions to make but there's no telling whether their choices will bring them happiness or damnation

Quadrille Diane Glancy, 2024-04-25 4 x 4 The first words were footprints of the wind in our ears Sometimes we cried with earache We wrapped our heads in animal skins Our cries were feral in the dark We packed dried berries and pieces of meat and camped for the night We followed hoof prints in the snow We saw a tuft of animal hair on a thorny branch jittering as we passed We dreamed of it at night We followed the course of streams and rivers It was an old knowing of the world Our journeys were written on the lines of rocks We left stories of our migrations back and back further than before we had names Diane Glancy begins *Quadrille* with the cries of primitive voices trying to understand the changes in their world after the arrival of the Colonists Here she continues her exploration of the effect of Christianity on Eastern Native Americans that she began in *The Reason for Crows* Glancy uses first person narrative to bring characters interior thoughts to the surface from early voices not yet identified as individuals to the four Native men who helped John Eliot translate the Bible into the Algonquian language from Tatamy a Munsee Delaware who translated for the missionary David Brainerd to David Pendleton Oakerhater a Cheyenne prisoner at Fort Marion who was later educated at St Paul s Church in New York and became an Episcopal priest These poems are influenced by the Psalms of David David is content to let his thoughts rise and fall like the tides in an interior sea This is what it is like to run into the living God This is what it is to be in over one s head to swim with thoughts heavy enough to drown **Voices of a People's History of the United States** Howard Zinn, Anthony
