The Wide World Magazine, 1906 **The Detour** Robert Butterworth, 2005 *The Detour* is a fascinating journey through eight worlds in seven chapters Not strictly an autobiography it provides glimpses of a Lancashire childhood in pre war and wartime Leyland and the Roman Catholicism of that time and place There follows the wider world of grammar school and the author's first contact with the Jesuits and then that of the novitiate which he aptly calls *Out of this World* so surreal and strange does it now appear He then contrasts the liberating world of Oxford with its tutors and general openness with the rigid spiritual philosophical and theological worlds that belonged to what he calls Jesuitism After protracted studies he held responsible posts at Heythrop College for over ten years where he played a major role in its move to become part of the University of London After a further decade as Head of Theology and Religious Studies at the Roehampton Institute Robert Butterworth is now enjoying married life in domestic retirement cooking studying Greek classical writers and exploring his new world of personal reflection which has led him to propose some practical and challenging principles for the

reinterpretation and revision of Roman Catholic tradition The whole story makes for a riveting read with a rare combination of elegance depth and contemporary relevance **Is Tehran Burning?** , Athenaeum ,1890 **Get a Life** John L. Werrill,2006-05-01 Autobiographical writing has a particular value as a literary form especially when as seems clear the written style is quite to the point lucid and communicates well The richly detailed and colorful account of the life loves and friendships built up around the most extraordinary life of John L Werrill The panorama of experience trials determination effort to succeed in a worldly competitive arena is richly textured well observed and not without more than the usual touch of spice and intrigue No matter what obstacle the writer seldom says no to anything especially on any or all challenges that he faces along the way compelling the reader to remain with him as each incident unravels Working up the chain of command in a ship's galley John's efforts are relentless imaginative creative inspiring and not without his inherent humor which carries him over many seemingly insurmountable issues and ongoing incidents Seldom he is boring and slow to think plus without a definitive plan of future life we can learn a good lesson of achievement and a sense of purpose as one reads From one arena to the other aboard cruise liner's of mammoth proportions the Chef de Cuisine is held in high regard as well he should and John continues on his helter skelter journey to the eventual pinnacle but not without stark reminders of daily life's realities unfazed by many who would prefer the home comforts he left behind To luxury spacious yachts with no limits on time demand and satisfaction for the very rich and some famous we get a very rare insight into the daily goings on both on shore in sumptuous homes around the globe Sailing to parts unknown on a whim Immaculate turn out undeniable hilarity to keep one guessing from the beginning to the end One might very well feel out of breath when you have read it Book Reviews I found this book to be quite delightful In all of Mr Werrill's travels and experiences given his writing style I felt I was right there with him In his colorful and careful descriptions of his life one was left with a feeling of what's next for this very adventurous gentleman He left me with a sense of my own personal longing to write of my adventures Who knows perhaps you'll have another interesting book to publish one day I thoroughly enjoyed this read and certainly would buy any future books written by Mr Werrill Marlene Cooper Williams Readers Comments 1 Uproarious antics and escapades with shipmates employers colleagues and lovers 2 Rivals and surpasses Benny Hill in being rather risqué and absolutely hilarious 3 Always the sense of family especially Mother Louise 4 Uncanny ability to think on his feet to avert nearly all matters of trouble virtually rendering himself unscathed nearly every time 5 Strong sense of faith and three true loves Beverly Kirsten and mother 6 One event after another stealing your breath one moment with an OMG then total laughter 7 Life onboard ship private yachts and in the servitude of some of San Francisco's wealthiest 8 Left with the feeling of having been that fly on the wall witnessing one man's life that goes beyond all others 9 When asked Is there anything you have not done anywhere you have not been and anyone you have not met the simple answer would be NO 10 John L Werrill should receive an honorary professorship and hit the lecture circuit especially at the commencement of universities he simply has so much to share of

life experiences which most people could not possibly envision 11 An unbelievable sense of sadness upon Mr Werrill's admission of a deep depression as he searches for his true SELF 12 Having been there done that from top to bottom front to back and in between there is renewal 13 Yes there should be a movie but who would play this **The Infernal World of Branwell Brontë** Daphne du Maurier, 2013-12-17 Pursued by the twin demons of drink and madness Branwell Bronte created a private world that was indeed infernal As a bold and gifted child his promise seemed boundless to the three adoring sisters over whom his rule was complete But as an adult the precocious flame of genius distorted and burned low With neither the strength nor the resources to counter rejection unable to sell his paintings or publish his books Branwell became a spectre in the Bronte story in pathetic contrast with the astonishing achievements of Charlotte Emily and Anne This is the biography of the shadowy figure of the unknown Bronte Miss du Maurier has brought to the art of the biography the narrative urgency which gives such animation to her storytelling New York Times Book Review **The Life of Lewis Barney as Written by Himself** Lewis Barney, 1988 An autobiography of the life of Lewis Barney born 8 Sep 1808 in Cayuga or Chelagian Niagara County New York died 5 Nov 1984 in Mancos Colorado He married Elizabeth Turner 11 Apr 1832 in Ill
