Her memoir is thus a window on the intersection of race gender culture and the media's role in our uniquely American experiment in democracy How Lloyd excelled in a profession where high ranking African American women were rare is a memorable story that will educate entertain and inspire Coming Full Circle is a self reflective exploration of the author's life journey from growing up in coastal Savannah Georgia to editing roles at seven daily newspapers around the country and circling back to her retirement in Savannah where she now teaches journalism to a new generation
