My Life In My Hands:

My Life in God'S Hands Wesley Watts,2018-02-15 As I sit here in the eighty fifth year of my life I think back over the years and ask myself what I have ever done to have God bless me as he has Well I dont have a clue except something a pastor told me a long time ago He said Wes the only way that other people will know what God has done in your life is if you tell them So let me take you back as far as I can remember as the song says Lets start at the very beginning **My Life Is in God's Hands** Shereice Garrett,2012-05 Life is forever changing always evolving So when one thinks about their own life many things come to mind Among things we are more likely to dream about are our goals and aspirations for our life However one must not forget about having fun as well What happens when you are thrown that unfortunate curve ball that changes your life forever Do you throw it back Do you keep it as a souvenir What do you do My Life Is In God s Hands tells the story of a courageous Black woman who was thrown many curve balls in life She did not give up Instead she used her faith in God to guide her thru life s byways and highways Her experiences taught her she was safe and tucked away in the mercy and blessed hands of God Even when her life flashed before her eyes more than once even when she had to learn to walk again more than twice she held on to God s unchanging hands trusting and believing that although her earthly vessel tried to leave her spirit would always remain intact and be safe in the hands of God **My Life** Colette Keefe,2015-04-29 Colette Keefe brings us an emotional poignant account of her turbulent childhood in which she was physically emotionally and sexually abused Into her adulthood these traumatic experiences manifested themselves in an array of mental illnesses including depression and Obsessive Compulsive Disorder When a tragedy strikes Colette is forced to confront her issues despite the stigma and shame associated with these misunderstood problems What begins is a courageous road to healing which continues today Her story of reclaiming her life is an inspiration for anyone who has experienced abuse or dealt with mental illness It is a book about acceptance forgiveness and ongoing recovery *Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare* Ramsis F. I was born in 1938 to a wonderful set of parents. My mother and father were people who gave of themselves. They instilled so many virtues in me that I am very thankful for. To my family who had to put up with me through the good times and the bad. To everyone that I have met along the way while I was following my life's path. And most of all to God whose help has given me the desire for knowledge and the courage to follow my heart.
