Christ Is My Life Patricia Maragh,2022-05-04 Set your affection on things above not on things on the earth For ye are dead and your life is hid with Christ in God When Christ who is our life shall appear then shall ye also appear Colossians 3 2 4 It is not enough to keep asking Jesus for His strength peace provision and joy when God gave us the kingdom in Christ Jesus When we align our hearts in an affectionate relationship with God by the power of the Cross the Word and the Holy Spirit we will experience God s grace in His love goodness mercy and power Let the church arise casting off the limitations of self effort in natural living Instead let us choose to live the true supernatural gospel in full surrender giving Jesus our all in loving trust to experience His eternal life Christ is my life devotional is designed to ground you in the fundamental teachings of Christ from the Word of God to challenge you into a deeper intimate and loving relationship with the Father by the Holy Spirit He is our teacher of the gospel in Christianity and without Him we are left powerless with legalism and religion And this is life eternal that they might know thee the only true God and Jesus Christ whom thou hast sent John 17 3 Get into a relationship and let the Holy Spirit lead you into becoming a more grounded and mature Christian anchored in love faith grace and truth until indeed Christ is your life *The Identified Life of Christ* Joe Norvell,2005-06

Jesus Imandars and Christ Bhaktas Jonas Adelin Jørgensen, 2008 The massive changes of Christianity during the 20th century raise the perennial question about its identity in a new radical form The author addresses the question of identity and asks how globalisation religious pluralism and the polycentric nature of Christianity affect Christian self identification and theological reflection First religious life and theological reflection among believers in Jesus from Muslim and Hindu background in South Asia is presented in two empirical studies Secondly the findings are analysed and interpreted within a broad theoretical framework drawing on models for syncretistic processes from history of religions cultural anthropology and Christian theology Finally the study concludes with a systematic theological perspective on the interreligious hermeneutics underlying the changes of Christianity and discusses how interreligious hermeneutics might inform missiology as well as Christian theologies of religions and how this might challenge our understanding of the church's nature and mission In conclusion it is argued that a global polycentric Christianity can be interpreted as fellowship created by the Spirit and centred on Christ
