My Little Bible Series Blue:

My Little Blue Dress Bruno Maddox, 2002-03-26 Very funny A pitch perfect account of how it feels to be part of a culture that's better at showing you what to wear than what to believe in a real original New York Magazine A gorgeous girl recalls her coming of age in her tiny picturesque English village at the turn of the last century After she opts out of a rural beauty pageant her life and its telling begins to unravel And it unravels into a multitude of extremely amusing searingly beautiful strands that eventually lead her and a troubled young man who befriends her through the wall upholstered hellholes of modern Manhattan toward a heartrending and hugely satisfying climax that will almost literally blow your socks off Fun full throttle stuff which rather miraculously dresses down the pernicious personal history trend while remaining both giggly and moving in its own terms Entertainment Weekly

Christianity in Blue David A. Kaden, 2021-07-13 Today's social and political climate often pits conservative or traditional Christianity against progressive Christianity But what is progressive Christianity What is a progressive Christian What is a progressive church Christianity in Blue answers these questions by drawing from biblical scholarship Christian history theology popular culture philosophy and cultural anthropology Kaden shows how socially liberal values and progressive attitudes can be the fruits of taking seriously both the Bible and Christian tradition But rather than treating these sources as static authorities and the final word on every subject Kaden argues that they are places to start one's exploration of how to be a Christian in the world Being a progressive

Christian is an ethical exhortation to uplift human personality as Martin Luther King Jr once said This exhortation structures how progressive Christians receive interpret and apply the Bible and Christian tradition to daily life A robust tradition provides an anchor to avoid the illiberal trends in contemporary society and a commitment to uplifting human personality provides a check against dehumanizing uses of Scripture and tradition Christianity in Blue will help both progressive and conservative Christians better understand the importance of the Bible theology history and philosophy for building a loving church for everyone
