João Scognamiglio Clá Dias EP,2015-03-10 New Insights on the Gospels Volume is part of a collection that enables you to accompany Our Lord Jesus Christ throughout every Sunday of the liturgical year together with the founder of the Heralds of the Gospel Dr Scott Hahn Fr Scanlan Chair of Biblical Theology and New Evangelization at the Franciscan University of Steubenville OH comments What a remarkable movement is the Heralds I spent my time this afternoon at JFK airport and my flight back to Pittsburgh reading New Insights

with great profit and excitement I am so impressed by Msgr Scognamiglio's profound insight into Scripture as well as the spiritual wisdom that he communicates so clearly. The work *New Insights on the Gospels* beyond being exegetical and pastoral has the merit of making theology accessible to all readers regardless of social status or academic level. To soar in the heights of Theology what is needed more than culture or intelligence is faith. Faith enables us to penetrate truths and mysteries that lie beyond the reach of human understanding. When it comes to believing, higher learning or intellectual capacity is not of consequence; what truly matters is having a soul that is open to God's light. It is only in the Catholic Faith that today's world will find answers to the problems that perturb it. Perhaps this explains the growing interest among the faithful in deepening their knowledge of Catholic Doctrine. Could this be the reason for the successful publication of the first volumes of this collection? Published in four languages (English, Spanish, Italian, and Portuguese), its first edition quickly ran out, achieving a circulation of almost seventy thousand copies. Saving precious teachings of the Fathers and Doctors of the Church from falling into oblivion is a response to the worthy and emphatic recommendation of the Second Vatican Council of giving primacy to Thomism cf. *Optatam totius* n. 16 in the study of the mysteries of salvation. The work has met wide acceptance among priests for whom it is mainly intended to serve as a resource in homily preparation. But it has met an equally warm reception among the lay faithful who are eager to broaden their religious knowledge. This may be a unique symptom of the spiritual condition of our age: the thirst for the divine. It is a thirst that increases as it is quenched, causing neither distress nor pain but only joy for those who seek to satisfy it in the crystalline springs of the Word of God.

For You, My Love Kelvin Mbata, This book is a delight for the mind as its thoughts were creatively whipped out for delightful reads. It focuses on strengthening existing relationships while helping to build new ones. Hence couples can use it to express affection and solidify what they share. Also, anyone can gift it to that special person they hope will be a part of their life. In all cases, this book will do the talking for you. So just gift it out.

1 & 2 Kings Jesse Ceymore Long, 2002

Life's Journey Marlenne Schilperoord, 2019-12-03

Often we hear people say that all religions should be forbidden because they only bring misery. These reactions are understandable when we see or hear the daily news. But where does all this misery come from? Is it because former religious leaders pursued self-interest too much instead of the Christian faith from the source? Or is it our indifferent attitude that offers negative forces a free path? To find the answer, we must go back to our source of life, to the reason for our earthly existence. It teaches us that what we call religion is the development of a spiritual consciousness to elevate the human soul, the very self. And that the words of our Creator do not stop on the last page of the Bible. He has sent us His New Revelations to encourage us and to find our way home again to the House of our Eternal Loving Father. Whoever reads the book may realize how important it is to ask yourself life questions: How can you give substance to your earthly existence? That this book may help you on your way to find your purpose in your life's journey.
