 Canada On February 18 1996 Michael J Hummel drugged me with GHB kidnapped me and then Gregg A Tippet and he
 raped me and almost killed me I believed I was not their only victim and I refused to stay silent After their pictures were
 exposed in the national media over 30 women came forth with similar horror stories with them In effect my mission became
 to put them behind bars and stop them from victimizing any more women During the botched criminal case I hired two
 Florida lawyers specifi cally for a trial with these delinquents I didn t trust my lawyers therefore I taped one of them In effect
 I not only learned that they lied to the judges and me but most critically I discovered that the lawyers were involved in a
 conspiracy to set the culprits free from a trial and shift liability to State Farm insurance for 1 5 million dollars After I paid my
 attorneys 85 000 they abandoned me and left me standing in the Florida courts alone fighting their 41 000 invoice from State
 Farm as a result of their coerced colluded contract My attorneys simply raped me of my justice I then filed a Florida Bar
 complaint and the packed mentality legalese ignored discarded and neglected my undisputable smoking gun evidence my
 tape I believe the public has a right to know the factual raw truth The lessons are never give up on yourself and never
 underestimate the power of your voice **The New Education** ,1896 **American Gas-light Journal and Chemical**
