relations between the two communities In this brave and groundbreaking book Efraim Karsh tells the story from both the Arab and Jewish perspectives He argues that from the early 1920s onward a corrupt and extremist leadership worked toward eliminating the Jewish national revival and protecting its own interests Karsh has mined many of the Western Soviet UN and Israeli documents declassified over the past decade as well as unfamiliar Arab sources to reveal what happened behind the scenes on both Palestinian and Jewish sides It is an arresting story of delicate political and diplomatic maneuvering by leading figures Ben Gurion Hajj Amin Hussein Abdel Rahman Azzam King Abdullah Bevin and Truman over the years leading up to partition through the slide to war and its enduring consequences Palestine Betrayed is vital reading for understanding the origin of disputes that remain crucial today *The Case for Palestine* John B.
