My Mommy Has Cancer:

My Mommy Has Cancer Alisha Jackson,2011-02 Based on a true story Jenny s mother survives cancer and chemotherapy Okay Mommy, I Will Help You M.n.l.,2020-09-26 A unique perspective from a youth s point of view on how to deal with a parent s cancer diagnosis The author provides a candid but inspiring message for kids who may be faced with a similar circumstance It s an extremely refreshing story that highlights the strength and bravery of a young girl who has to tackle such a heavy burden head on While the focus is on the author s personal experience with her mother s cancer diagnosis this book can be a source of guidance and comfort for children who have parents grandparents siblings or any family member or friend who has been diagnosed with a serious illness **Mommy Has Cancer** Corey L. Stevenson,2021-07-01 Now we celebrate because Mommy doesn t have breast cancer anymore Corey Jr is a nine year old from Saint Louis Missouri who has chosen to share his journey during his mother s battle with breast cancer Corey and his mom Anastasia wish to share this journey with you Key takeaways from this book are to always be kind always show love and always be thankful for your family **My Mommy Has Breast Cancer** Gina Wright,2009-10 In simple language tells of a child s mother s diagnoses of breast cancer and the treatment undertaken including a double mastectomy and chemotherapy

My Mommy Has Cancer Carolyn Stearns Parkinson,1991 Erin s mother has cancer and he can t understanding what was happening to his mother and why his world is changing **My Mommy Has Breast Cancer, But She is Okay!** Kerri M. Conner,2010-02-20 Kerri is the daughter of a breast cancer survivor but she writes this book based upon her own battle with breast cancer Kerri was diagnosed with an aggressive form of breast cancer at age thirty three Her daughter was only two at the time Kerri hopes this book will inspire young mothers with breast cancer as well as their young children *My Mommy Has Cancer But She's Still My Mommy* Emilie Scalise,2022-11-11 *My Mommy Has Cancer But She's Still My Mommy* was written for parents children and family members alike Although the imagery and text is simplistic the situation is far from it Everyone needs to cope with what they are going through in their own way and Emilie has chosen to do so by sharing a little bit about what she learned along the way **My Mommy Has Cancer But She's Still My Mommy** Emilie Scalise,2025-06-17 A small breakdown of what life may be like for a young child after their mother goes through breast cancer surgeries chemo therapy and radiation It is meant to help young kids understand that things will change but their mom still loves them and she is still mom but in coloring book style to allow kids and parents to have a distraction My Mommy Has What? Betorah Lianos,2016-09-28 When we started this book it was one huge pile of words They had no beginning or end Throughout the process we asked her to breathe and think about where she wanted to break them apart We hoped by taking her own words and placing them on paper that it would help in her journey of healing One day she asked if we could find someone to draw the pictures with hopes that she can help another child who is going through a similar experience It is very important to Betorah that other children know they are not alone by following through with her dreams

of helping other children through her own experiences *My Mommy Has Cancer* Holly J. Bertone, 2014-08-04 **My Mommy Has Cancer, a Journal for Me** Dana-Susan Crews, 2022-10 A journal for children ages 3-10 with helpful tips for children who have a mom with cancer. It includes information about cancer and treatments and gives children a place to write or draw about their feelings as they endure their mom's cancer journey **Hunter's Hero** Shannon Pierce, 2022-12-05 All mommies are heroes with boobies of all sizes and shapes mine just happens to wear a pink cape. One little boy named Hunter faces a major life hurdle his mommy has breast cancer. A relatable and educational story for all kids of pink cape rocking mamas **My Mommy Has Cancer** Jennifer Haradon Dichter, 2011 **The Sisters** Rosalind Noonan, 2018-11-27 A daughter secretly infiltrates an Oregon cult to save her mother in this harrowing tale from the author of *Domestic Secrets*. Publishers Weekly Twelve years ago Glory abandoned her two daughters four-year-old Ruby and baby Aurora at a fire station running off to a man who promised love and protection. Though the refuge she hoped for turned out to be a sham, she believes Ruby and Aurora are better off without her. But Glory has since given birth to another daughter who's clamoring for a life beyond their close-knit, tightly controlled world. Sixteen-year-old Ruby loves her adoptive parents but she hasn't forgotten Glory. Now that she has her driver's license Ruby sets out in search of her birth mother. What she finds is a ramshackle house of castaway women referred to as sisters ruled over by a charismatic bully who monitors their every move. Glory would take ten-year-old Luna away in a heartbeat if they had somewhere to go. On good days the girl is confined to the fenced-in yard; on bad days she's sent to the dusty attic as punishment. When Ruby makes contact Glory seizes on a chance for escape. Ruby is desperate to help but how much does she owe to family she barely knows and how can she fix someone else's life when she has so little power over her own? Praise for *The Sisters* Thanks to its twisted plot and courageous characters Noonan's portrait of the love between a mother and daughter is irresistible. Publishers Weekly Noonan's complex novel grips the reader with fully textured characters and page-turning suspense. A heart-wrenching book you won't soon forget. *New York Journal of Books* [Breaking the Silence](#) Linda Goldman, 2014-06-11 The second edition of this bestselling book is designed for mental health professionals, educators, and the parent caregiver; this book provides specific ideas and techniques to work with children in various areas of complicated grief. It presents words and methods to help initiate discussions of these delicate topics as well as tools to help children understand and separate complicated grief into parts. These parts in turn can be grieved for and released one at a time. A new chapter is included called *Communities Grieve: Involvement with Children and Trauma*. It includes information on The Taiwan Earthquake and how the community worked with children; a school bus accident in which 36 elementary school children witnessed the death of the bus driver that was driving and how the school system worked with these children and their families; a boy who was running on a cross-country team and got hit by a car which was witnessed by teammates and how a non-profit community grief agency worked with family, school, and community. The last study is from the Oklahoma bombing and the outgrowth of a place for the traumatized children and how they still

work with kids and family today This chapter then contains new activities to work with traumatized grieving children The new edition also includes updated resources books curriculums websites hotlines and another new chapter on bullying and victimization issues The chapter for educators has been expanded including the coverage of topics such as at risk students gay and lesbian issues and self injurious behaviors *The Better Part of Me* J.P. McCollum,2019-05-19 After the funeral on a blustery October day the family attorney instructs three siblings to meet at their grandfather s lake house in eastern Maine Assuming they were to gather for a reading of the will they reluctantly agreed carrying with them resentments pain from the past and a deep bond After finding a box smuggled out of Nazi Germany in their basement however the grandchildren realize there is a darker secret from their grandfather s grave that leaves them questioning his character and their own personal failures A Series of Catastrophes and Miracles Mary Elizabeth Williams,2016-04-26 A wry witty account of what it is like to face death and be restored to life After being diagnosed in her early 40s with metastatic melanoma a rapidly fatal form of cancer journalist and mother of two Mary Elizabeth Williams finds herself in a race against the clock She takes a once in a lifetime chance and joins a clinical trial for immunotherapy a revolutionary drug regimen that trains the body to vanquish malignant cells Astonishingly her cancer disappears entirely in just a few weeks But at the same time her best friend embarks on a cancer journey of her own with very different results Williams s experiences as a patient and a medical test subject reveal with stark honesty what it takes to weather disease the extraordinary new developments that are rewriting the rules of science and the healing power of human connection **Notes from a Cancer Mom** Leslie W Jermainne,2015-10-19 Leslie s son Brian was shockingly diagnosed with Stage III Burkitt Lymphoma at age fifteen the most aggressive type of lymphoma Brian wasn t sick he simply had a lump under his arm Five days later one appeared on his abdomen PET scan results showed four tumors total Three hours away from home and living in the hospital for seven days at a time while Brian received intensive chemotherapy Leslie wrote an e mail home every day to keep family and friends informed about their days fighting cancer Writing helped to let the fear out and to keep track of the many lessons they learned about life Many people were touched by their story saying it helped them to find gratitude in their own lives Leslie is sharing her e mails in hopes of helping other parents whose children are diagnosed with cancer so they know they aren t alone in what they might be experiencing thinking and feeling Having your child diagnosed with cancer their own body trying to kill them is the absolute worst Life comes to a screeching glass shattering halt while you pray that your baby just lives The fear is intensely overwhelming says Leslie When Your Wife Has Breast Cancer, a Story of Love Courage & Survival Mark Weiss,2014-05-01 It is a love story and a tale of triumph over adversity full of practical advice reinforced by real life lessons Linda Fairstein Mark Weiss tells the story of his 38 year old wife Cathy s battle with breast cancer It examines the choices they had the decisions they made the setbacks they experienced and the emotional upheaval they faced Mark Weiss candidly discusses the fears he harbored for himself his wife and his children during this time of uncertainty He offers insight into

My Mommy Has Cancer Introduction

In today's digital age, the availability of My Mommy Has Cancer books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of My Mommy Has Cancer books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of My Mommy Has Cancer books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing My Mommy Has Cancer versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, My Mommy Has Cancer books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing My Mommy Has Cancer books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for My Mommy Has Cancer books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, My Mommy Has Cancer books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of My Mommy Has Cancer books and manuals for download and embark on your journey of knowledge?
