CHRISTMAS STALKING American Nazis track Malcolm Dragon and his family to the Great White North. *Political Junkies* Claire Bond Potter, 2020-07-07. A wide-ranging history of seventy years of change in political media and how it transformed and fractured American politics. With fake news on Facebook, trolls on Twitter, and viral outrage everywhere, it's easy to believe that the internet changed politics entirely. In *Political Junkies*, historian Claire Bond Potter shows otherwise, revealing the roots of today's dysfunction by situating online politics in a longer history of alternative political media. From independent newsletters in the 1950s to talk radio in the 1970s to cable television in the 1980s, pioneers on the left and right developed alternative media outlets that made politics more popular and ultimately more partisan. When campaign operatives took up e-mail, blogging, and social media, they only supercharged these trends. At a time when political engagement has never been greater and trust has never been lower, *Political Junkies* is essential reading for understanding how we got here. **CMJ New Music Report**, 1998-12-28.
