My Mother Said:

My Mother Said... Christine Farrell, 2024-05-01 Based on over 1500 interviews with a national random sample of 16 to 19 year olds in 1974 5 originally published in 1978 My Mother Said examines the sources of information encountered by young people during their early years which helped or hindered them in their acquisition of knowledge about sex and birth control The study explores teenage patterns of sexual behaviour and contraceptive practice and looks at the way in which learning and sexual behaviour are related Interviews were also conducted with over 300 parents of the teenagers their attitudes to and experiences of the provision of sex related information being discussed and described in detail The author s findings suggest that although sex education from parents and in schools had improved over the previous ten years there was still considerable room for changes in attitude and education By putting the young people s views and experiences in perspective the book would help teachers parents and others concerned to develop sex education along lines which would meet the needs of the young at the time

Merriitt Magic Melinda Merritt,2017-03-27 This book is about the world we lived in which was one of dreams spirituality magic and love I arrived just at the end of the Pisces Age in 1950 and I could feel the energies changing early in my life The Sages had spoken to the families about the coming cultural change which would take the world by storm We had no idea what they meant but we knew it would happen I was just going about my life learning all the ancient African knowledge and wisdom my family taught After all this is the spirituality and ancestral knowledge which freed the slaves from bondage We were a very blessed family in that there was never any lack just a life of abundance The Sages controlled what happened in this world and no one ever questioned them Our world was filled with happiness excitement and surprise Then as though my world was not already filled with many unusual things in the early 1960 s it happened The change of which the Sages had been speaking started to happen Rev Martin Luther King Jr and the Civil Rights Movement came to our little town of Americus GA This was the very beginning of what turned out to be the biggest event ever My father was a successful independent business leader and he and Rev King as Dr King was known at that time bonded immediately This meant that our entire family was heavily involved in the Movement Dr King was frequently at our home and became a part of the family for many years Everything changed for me and the family when this Movement came but the Sages managed to keep control over our daily lives These were some powerful Black women whom no one dared cross The energy which drove the Movement was constantly pointed out to me by the Sages I became an expert on the human energy phenomenon The world was completely magical and it seemed to have come to our small town The people we met were from all over the globe The power of the black people s energy was working full force Because of what the Sages taught me I was able to travel through my entire life in control of my elements The Sages believed practiced and taught that if you can control your elements you can control your life This book is about these Black powerful women who had taken their gifts and skills underground until now

Man in the Box Thomas Moran,1998-01-01 The Lukassers seem to be an ordinary Austrian family Dr Robert Weiss had passed through their village years ago a stranger He rented a room from them for the night Niki Lukasser was a baby then fighting the fever of appendicitis Dr Weiss saved

Niki's life that night and accepted no payment. It was just what you did for another human being. Years later Dr Weiss appears again at the door. It is 1943 and he is asking to be hidden from the Germans. This also it now appears to Niki is just what you do for another human being. Mr Lukasser walls Dr Weiss into the barn loft. Then begins beneath the quiet surface of Sankt Vero a chain of powerful transformations. Clementine Camille Ronald John Vierling, 2006-02 Ronald Vierling's first novel in the Clementine trilogy. Clementine Camille Volume One: An American Romance ends when African American Clementine Brown and Caucasian American Tyler Raymond's twin daughters are six years old. Clementine Camille Volume Two: An American Memoir begins ten years later when the couple's twin daughters Josephine and Abigail are fifteen, which means Clementine and Tyler not only face issues that naturally arise with raising teen-age daughters, they must also deal with those issues that attend their daughters' mixed racial heritage. Thus while *An American Romance* chronicles how Clementine and Tyler became adults and parents as well as the story of the family and friends who shaped them, the events that unfold in *An American Memoir* test everything they have come to believe about love and loss, about race and identity, about ambition and the sometimes contradictory consequences of achievement. Dancing Girls Margaret Atwood, 2012-03-27 A splendid collection of short stories from the author of the New York Times bestselling novel *The Handmaid's Tale*, the inspiration behind the award-winning Hulu original series. With brilliant flashes of fantasy, humor, and unexpected violence, the stories reveal the complexities of human relationships and bring to life characters who touch us deeply, evoking terror, laughter, compassion, and recognition, and dramatically demonstrate why Margaret Atwood is one of the most important writers in English today. **Java Gems** Dwight Deugo, 1998-02-13 The support of Java Report by the pioneers of the language has always made it the source for Java development.
