enhance the utility of the book **The Extraordinary Comeback** Aleah Bass, 2023-01-20 Let me start off by saying I never thought I would see the day that my writing would actually be published and displayed I wrote this book for my senior writing project class my senior year of college It was a two semester class that included a lot of editing and adding to the book throughout it all with the help of my professor and classmates through Zoom since we were online my whole senior year Personally I love reading romance novels or dramas My inspiration for this piece was to make it seem like a lifetime movie I wanted the reader to really feel as though they are in the main character's shoes While coming up with that I thought of the idea of making up a fictional character and have them encounter real life events and ran with it Adding to that I made this character face hard situations that made her get to her goal of getting into her dream college Going off of that Cass A totally made up character had to face addiction loss heartbreak and life changing moments that altered her life forever She comes up on top and makes her come back through self intervention recovery and therapy It's never too late to get to your dream destination and that is exactly what I wanted my character to portray **Burning Issues** Karyn Cooper, Robert E. White, 2004 Here is a book with numerous applications It is intended to situate self examination and issues based learning in reality in a professional context in which teachers and students work to shape practices and identities In this way teachers can explore who they are as individuals their understandings of themselves and their experiences as well as the impact of these experiences in the classroom the school and the community As a course book on teacher development both for undergraduates and for teachers embarking on post graduate work the focus on real life experience forges powerful links between the theoretical underpinnings of teaching and classroom practices Burning Issues may also serve as a foundation book for coursework and workshops exploring research on teachers and teacher development As a sourcebook for in service teachers the authors focus attention on real life experiences theory and practices associated with reflection and emancipation The authors offer a vision for crafting a career long tradition in critical inquiry Educators of any stripe will find this text useful and informative **Firestone Rings** J. Naomi Ay, In Book 4 of the series The Two Moons of Rehnor Senya returns to Rehnor to take over the throne In the meantime Katie is completing her final mission in space When her contract ends she must join Senya and fulfill the role that he has intended for her to do A family emergency on Earth requires Katie to return home and despite Senya's warnings she leaves Rehnor to return to the Alliance one last time **Mortified** David Nadelberg, 2006-11-28 Share the shame In the days before blogs teenagers recorded their lives with a pen in top secret notebooks usually emblazoned with an earnest underlined plea to parents to keep away Since 2002 David Nadelberg has tapped that vast wellspring of adolescent anguish in the stage show Mortified in which grown men and women confront their past with firsthand tales of their first kiss first puff worst prom fights with mom life at bible camp worst hand job best mall job and reasons they deserved to marry Simon LeBon Following the same formula that has made the live show a beloved cult hit Mortified the book takes real childhood journals and documents and edits the entries into captivating comedic and

cathartic stories introduced by their now older and allegedly wiser authors From letters begging rescue from a hellish summer camp to catty locker notes about stuck up classmates to obsessive love that borders on stalking Mortified gives voice to the real and really pathetic hopes fears desires and creative urgings that have united adolescents for generations **The Forgotten Graveyard** Debbie Lakin, Moving to a new town is hard Moving to a very small town where everyone knows everyone is hard Being the new kid in school is hard and being the new kid that doesn't fit in is super hard Thankfully finding new friends has not been that hard even if some of them just happen to be dead **Underwater** Marisa Reichardt, 2025-06-25 Morgan didn't mean to do anything wrong that day Actually she meant to do something right But her kind act inadvertently played a role in a deadly tragedy In order to move on Morgan must learn to forgive first someone who did something that might be unforgivable and then herself But Morgan can't move on She can't even move beyond the front door of the apartment she shares with her mother and little brother Morgan feels like she's underwater unable to surface Unable to see her friends Unable to go to school When it seems Morgan can't hold her breath any longer a new boy moves in next door Evan reminds her of the salty ocean air and the rush she used to get from swimming He might be just what she needs to help her reconnect with the world outside Underwater is a powerful hopeful debut novel about redemption recovery and finding the strength it takes to face your past and move on
