Autobiography Gloria Hunniford,2017-10-05 As one of Britain s best known TV and radio personalities Gloria Hunniford requires little introduction From chat show and current affairs host to presenter of consumer and lifestyle programmes Gloria is one of the few broadcasters who can genuinely claim to embrace the spectrum of popular culture Her elusive ability to communicate with people from all walks and backgrounds has earned her a rare iconic status in the hearts and minds of the British public Now having just been made an OBE in the Queen s Birthday Honours and celebrating 70 years in show business Gloria is ready to tell her story With an illustrious career spanning seven decades as Gloria says herself Even that wide eyed ambitious ten year old girl from Portadown County Armagh would never have believed that sixty seven years later she d still be in show business Gloria has had many lives starting out as a singer aged seven alongside her father in a troupe of entertainers before taking the brave step to travel and live in Canada as a teenager which broadened her horizons in a way she never could have imagined coming from a religiously divided Northern Ireland Back home at the age of twenty following the release of her first record that went into the Ulster charts she was offered a job at BBC Belfast which started her on a career trajectory she could only have dreamed about in those early years singing in front of her Bakelite radio hoping someone would hear her Working through bombs bullets and barricades and the turmoil of the Troubles in the seventies Gloria soon became a firm fixture on both radio and TV especially with her nightly show *Good Evening Ulster* It wasn t long before Gloria s charm wit and tenacity were spotted over the Irish sea becoming the first ever woman to have a daily radio programme in 1982 presenting on BBC Radio 2 continuously for the next 13 years She was then offered her first chat show and *Sunday Sunday* launched her into the homes of millions of people as she interviewed some of the greatest stars of our time including *Bette Davis* *Charlton Heston* *Doris Day* *Audrey Hepburn* and *Sean Connery* Since then Gloria s career has

blossomed and she has become widely regarded as one of the most respected names in the industry And with her extremely moving and sentimental account of her daughter s battle with cancer in the best selling books Next To You and Always With You Gloria has sealed her reputation as one of the nation s most respected writers and commentators More recently known for being a panellist on Loose Women and presenting the daily consumer programme Rip Off Britain she has entered the hearts of the nations and will continue to do so for years to come In My Life Gloria will for the first time explore her life from her humble beginnings to the much loved national treasure she is today Coming to America Ian Broadbridge,2023-10-02 This is a true story about a young Englishman s quest to live and work in America after he tragically lost both of his parents to natural causes within two days of each other whilst on holiday on the Mediterranean island of Malta in October 1981 He came to America to New York City on the thirtieth of June 1985 with just two hundred dollars in his pocket He had no relatives or friends shoulders to lean on when things became rough he just had his drive and entrepreneurship to keep him going It was rough for him during the first seven years living in squalor in Kansas City Missouri not having electric in apartments and not having a car in Columbia South Carolina getting involved in a life threatening car accident in Perry Florida having bicycles stolen in Valdosta Georgia and working illegally for those seven years with fake Social Security numbers He eventually ended up living and working in Columbia where he met and fell in love with his wife to be whilst working at a restaurant as a waiter He proposed to his wife to be just before Christmas 1991 In July 1992 the young man travelled back to England to see his siblings nephews and nieces and also to get his B1 B2 visa renewed When he attempted to come back to America the INS the Immigration and Naturalisation Service cornered him after suspecting that he was coming to America to work illegally After they searched his pockets their suspicions were correct They had no other choice than to deport him and send him back to the UK He was allowed one telephone call just like citizens that have been arrested are allowed That call was made to his fiancée Sobbing he said for her to forget about him He was then escorted back to the aeroplane on which he flew back to England thinking that he would never see his fiancée again That s not the end of the story just like in the fairy tales where the knight in shining armour rescues the damsel in distress it was the other way around in this story the damsel rescued the knight by obtaining a passport travelling by herself to England and sweeping the knight off his feet by marrying him It was relatively plain sailing after that for the young man to be able to come back to America to live and work legally and to be with the love of his life The Man Who Got Carter Andrew Spicer,A.T. McKenna,A. T. McKenna,2013-10-24 Michael Klinger was the most successful independent producer in the British film industry over a 20 year period from 1960 to 1980 responsible for 32 films including classics such as Repulsion 1965 and Get Carter 1971 Despite working with many famous figures including actors Michael Caine Peter Finch Lee Marvin Roger Moore Mickey Rooney and Susannah York directors Claude Chabrol Mike Hodges and Roman Polanski and author Wilbur Smith Klinger s contribution to British cinema has been almost largely ignored This definitive book on Micheal Klinger largely based on his

previously unseen personal papers examines his origins in Sixties Soho sexploitation cinema and shockumentaries through to major international productions including Gold 1974 and Shout at the Devil 1976 It reveals how Klinger deftly combined commercial product the hugely popular Confessions series 1974 78 with artistic experimental cinema that nurtured young talent including Polanski and Hodges Peter Colinson Alastair Reid Linda Hayden and Moshe Mizrahi the Israeli director of Rachel s Man 1975 Klinger s career is contextualised through a reassessment of the British film industry during a period of unprecedented change and volatility as well as highlighting the importance of his Jewishness The Man Who Got Carter offers a detailed analysis of the essential but often misunderstood role played by the producer
