Infants and Children's Wear Review ,1927 The Ghost of Thailand Rick Mercer,2013-03-04 This book is a tale about a girl who was born into an unexpected reality We laugh at the unexplained and tend to mock what we dont understand This girl was born into a world that didnt want her She found love with her Grandmother in the northeastern farms of Thailand At the age of six she encountered a near death experience that forever changed her life During the course of her first seventeen years she experienced coming back from the other side She witnessed a public suicide and an old man being publically beaten to drive out a spirit that people believed made him ill She was visited by spirits that would give even the strongest person nightmares The book is very entertaining when you see how this child copes with everyday life experiences as well as the supernatural experiences At the age of thirteen she was able to catch a thief At an older age she was able to deal with spirits that wanted nothing more than to do harm I mean physical harm This book is about a little girl with more inner strength than most of us can possibly comprehend She tapped into her inner self and found the courage to accept and to rationalize their very existence This book is about a little girl named by a nurse because no one was around to give her a name Her name is Nongnooch Mercer
