Where Going Why When we were young and recently married we purchased our first home in South St Paul Minnesota It was a very nice three bedroom rambler with a tuck under single car garage The basement was finished and the yard was beautifully landscaped with a terraced garden in the back yard complete with a statue of Jesus We paid 31 000 and had anxiety about how we were going to pay the mortgage payment of 160 per month Our side door was directly across from our neighbor s house 20 feet away Our neighbors had two little boys around the ages of three and five They did not let their boys play with any other children and kept them inside most of the time Their vocabulary was very limited and we only heard them say three things They were however very friendly and came running up to me every time I would see them The first thing they would say was What doing When you told them what you were doing they would ask Where going When they were satisfied with your answer the final question was Why As I have reflected about these questions over the years I have come to realize that these are very profound questions What am I doing where am I going and why Have you ever asked yourself these questions I have never sat down and charted my life but I have been lead and protected by a mysterious force As you read this book ask yourself these questions Is life more than eating drinking and being merry and then you die Is there someone or something out there in the universe who is watching me Is there someone wanting to interact with me This is the story of my life my search for truth and my journey I am not an extraordinary person Some of my adventures may seem a little strange They were strange for me too Sometimes I identify with Sergeant Joe Friday in Dragnet Just the facts ma am Just the facts I hope that in sharing my life you too may find answers to these basic questions I hope that you will find peace and contentment as I have found in my life Blessings Marshall E Quilling To contact author E mail marshall_marshallquilling.com Website www.marshallequilling.com *Songs of My Heart* Beshera,2015-03-11 I truly love God and all that He is with every part of me I hope that these Songs of my Heart touch and bless every heart who reads this book **The Meaning of Prayer** Harry Emerson Fosdick,1919
