The Poems of T. S. Eliot, Volume I T. S. Eliot, 2018-12-04 The first volume of the first paperback edition of The Poems of T S Eliot This two volume critical edition of T S Eliot s poems establishes a new text of the Collected Poems 1909 1962 rectifying accidental omissions and errors that have crept in during the century since Eliot s astonishing debut The Love Song of J Alfred Prufrock In addition to the masterpieces The Poems of T S Eliot contains the poems of Eliot s youth which were rediscovered only decades later poems that circulated privately during his lifetime and love poems from his final years written for his wife Valerie Calling upon Eliot s critical writings as well as his drafts letters and other original materials Christopher Ricks and Jim McCue have provided a commentary that illuminates the imaginative life of each poem This first volume respects Eliot s decisions by opening with his Collected Poems 1909 1962 as he arranged and issued it shortly before his death This is followed by poems uncollected but either written for or suitable for publication and by a new reading text of the drafts of The Waste Land The second volume opens with the two books of verse of other kinds that Eliot issued Old Possum s Book of Practical Cats and Anabasis his translation of St John Perse s Anabase Each of these sections is accompanied by its own commentary Finally pertaining to the entire edition there is a comprehensive textual history that contains not only variants from all known drafts and the many printings but also extended passages amounting to hundreds of lines of compelling verse
