The Nightwatchman Lorna Couillard,2020-07-29 Is God interested in your everyday life trials sorrows grief Yes indeed How often have we heard people say God doesn't care about our troubles and God helps those who help themselves Well people can live that way for a while as long as they have the strength but the time comes when strength fails and many fall into the ditch of life and never get up I've found when we fail when we lose our strength to go on when we can't put on a good front for people and they may walk out the door if we will just call his Name He will come in Whatever the problem whatever the trial whatever the circumstances He is only a prayer away a whisper is all it takes and I've learned through a lifetime of depending on Him He never fails He hears and answers prayer It may not be overnight and He may test you to see if you'll stand in faith But He's proven to me beyond any doubt His ears are open to the cries of His people In my life's journey I've accumulated a lifetime of journal accounts of answers to specific prayers for my own personal needs and in intercession concerning nations It's my hope and prayer that those who read this story will see a consistent pattern of standing against the forces of darkness and gaining ground in prayer and victory in the storms and adversities of life What God has done for me He will do for anyone if they'll just open the door of their heart and let Him in *Who Are You God?* Olga Hermann,2024-03-26 In 1995 Olga Hermann learned about the love of Jesus Christ In that all her sins against God could be completely erased through repentance and accepting Jesus already paid with His own life Since then she has served our Lord in leadership roles in her church and in prayer and healing ministries as well as Christian media sharing the love and compassion of God Olga is an ordained minister with The Missionary Church International and holds a bachelor's degree in Messianic Bible studies giving her a deeper understanding of the Hebrew roots of the Bible Her goal is to share who God is and His amazing love especially to the broken hearted and the vulnerable Jesus came to set the captives free and the love of God is the only answer He wants that none of us should perish and we each fulfill our destiny's here on earth My Sojourn in Heaven and Stopover in Hell John Bunyan,1997 Forthcoming Books Rose Arny,2002 Books in Print ,1991

**Four Seasons** Han-Jae Lee, 2023-02-03 *Four Seasons* By Han Jae Lee This essay collection recounts the modern and contemporary history of Korea through the life of the author. Korea was a poorly developed country that was devastated during the Japanese colonial period in the early 20th century, followed by liberation and the Korean War. In the process, there was a time when many Korean people gathered their strength to create something out of nothing in order to escape poverty. And now Korea is standing shoulder to shoulder with developed countries. Korea has achieved not only political democratization and remarkable economic development in a relatively short period of time in recent decades, but also Korean literature is making remarkable progress toward globalization in many ways. The following essays describe various elements of rural life in Korea, as a child, life in a large city in Seoul, as a youth, and living abroad as an adult. Before writing this essay collection, he compiled seven poetry and essay collections in Korean and English and published them in Korea and the United States. Advance praise for *Four Seasons* Han Jae Lee's *Four Seasons* is an engaging collection of essays that recount the author's experiences as a native Korean coming of age in a poor rural area, going on to lead a prosperous career as a working man for a large corporation, fathering children, traveling around the globe and spending time in the United States. Lee's observations about both past and present life are touching and astute. A poet at heart, his reflections are tender and poignant as he covers a wide range of topics from tending a cow as a young man to his influences in literature and writing to the old customs in Korea to new information technologies. Relationships, both intimate and professional, are examined. Reading *Four Seasons* cover to cover, you will be entertained throughout.

Magdalena Montagne, poet, teacher. *The Four Seasons* is a distillation of the author's life. In providing vignettes of his life, both in prose and poetry, Han Jae Lee presents the reader with the thoughts and impressions of a life rich in experience, tempered by wisdom. This will not be a book that you only read once, but several times, because you will always find something new and instructive in its pages.

**Literary L.A.** Lionel Rolfe, 1981 *Don't Chew Jesus!* Danielle Schaaf, Michael Prendergast, 2015-01-06 Filled with fond recollections and touching stories, these tales from hundreds of contributors pay tribute to nuns. Those monochromatically clad monitors of the right, the wrong and the holy Catholic nuns are portrayed as devoted and passionate women who, armed with an arsenal of educational weaponry ranging from creative storytelling to psychological terrorism, had the massive responsibility of molding children into model citizens of God. The brief descriptive anecdotes cover subjects ranging from religious training habits and

devotion to discipline pranks and the always dicey sex education Readers are introduced to such legends in the making as baseball playing nuns telepathic nuns gun toting nuns and even skinny dipping nuns These nuns have seen it all the silly or the sad the frightening or sublime and always keep their gazes directed upward *Subject Guide to Books in Print* ,1997
