My Son, the Priest Kristin Grady Gilger, 2025-11-11 A beautifully written tale of spiritual growth James Martin SJ author of the New York Times bestsellers *Jesus A Pilgrimage* and *Learning to Pray* Not every Catholic mother wants her son to be a priest The true story of a young man's journey to become a Jesuit priest written by his mother a fallen away Catholic who must come to terms with her son's decision or risk losing him It is an intimate sometimes irreverent and often searing examination of faith family and reconciliation You send your son off to college and you think that in a few years you might get a call and he'll announce that he has someone he's bringing home someone he wants you to meet But then that someone turns out to be a recruiter hawking a lifetime of poverty chastity and obedience What college kid in his right mind would sign up for that The book offers a rare often entertaining glimpse into the highly unusual Jesuit formation process which includes sending would be priests off on pilgrimages with 35 in their pockets It also takes on tough issues from the church's history of sexual abuse to its treatment of women and asks tough questions Is it possible to be Catholic liberal and a feminist all at the same time What does it mean to call yourself a Catholic

My Son Went To JAIL For Taking A Bath Lorraine Holmes Milton, 2013-11

My eldest son served over twenty 20 years in prison for using a play toy pellet gun that children use every day I want the readers to know that it can be very dangerous for your children to play with certain types of weapons play and toy included It depends when where and how the toy is being used and whom it is used on One of my missions and goals are to educate parents and teenagers on the insensitivity of the NO TOLERANCE atmosphere in society I missed 20 years of celebrating his birthdays 20 years of not having grandchildren from him etc I am not negating the fact that he did something wrong I am adamant about explaining that my son served more time in prison than some murderers IT IS UNJUST I served twenty one years 21 in the military I have good family core values and taught my son right and wrong he was enrolled in character

building activities such as Karate Track Field Football and he played music If your teenager starts to make friends with peers that are going in a daunting path then STOP THINK TAKE ACTION In hindsight I would ask family members to have an intervention with my teen son Your teenager will probably listen to his uncle aunt cousin or sibling when they will not listen to you Take the appropriate action before it s too late Parents please do not let your children play with TOY GUNS plastic or pellet It may land them in jail for twenty 20 years A Gentler God Doug Frank,2020-07-09 What is God like Is he the lofty Almighty of conservative religion with power to stop heartbreaking human holocausts and deadly natural disasters but who inexplicably declines to do so Is he the callous Judge offering the faithful a place in his heaven while summarily casting the faithless into everlasting hell Is he the vain King on his throne requiring us to stroke his ego by praising him unceasingly for his awesome power If this is the God we have been taught it is no wonder that many people have come to realize that they do not like let alone trust him The simple certainties of their childhood no longer make sense But the equally assured assertions of today s atheists also leave them cold They want a personal connection with God an honest faith that grows out of their own felt truth and touches them at the deepest levels of their being This book points the way It dismantles the angry punitive God of traditional Protestantism and beckons us toward a kinder more welcoming God This God does not ask us to grit our teeth and try our best to believe Instead this God meets us in our humanity inviting our hearts to respond in genuine trust and love

Carceral Citizens Caroline M. Parker,2025-02-10 A nuanced take on how carceral expansions are changing labor and social life In *Carceral Citizens* anthropologist Caroline M Parker offers an ethnographic portrait of therapeutic communities in Puerto Rico the oldest colony in the Americas As nonprofits nested within the carceral state therapeutic communities serve as reeducation and recovery centers for the mostly male drug offenders who serve out their sentences engaged in manual labor and prayer The most surprising aspect of these centers however is that their graduates often remain long after the completion of their term working as self appointed peer counselors in a mixture of volunteer and low wage positions Parker seeks to explain this dynamic by showing how in these therapeutic communities criminalized men find new and meaningful ways of living in the shadow of the prison Through their participation in the day to day functioning of the centers they discover and cultivate alternative forms of belonging livelihood and citizenship despite living within the restrictions of the carceral state Situating her study against the backdrop of Puerto Rico s colonial history and with findings that extend across Latin America Parker challenges common assumptions about confinement labor and rehabilitation By delving into lives shaped by the convergence of imperialism the carceral state and self help she offers a fresh understanding of the transformations of labor and social life brought about by mass incarceration *Finding Zoe* Brandi Rarus,Gail Harris,2014-10-07 At just a few months old Zoe was gradually losing her hearing Her adoptive parents loved her yet agonized feeling they couldn t handle raising a Deaf child Would Zoe go back into the welfare system and spend her childhood hoping to find parents willing to adopt her Or would she be the long sought answer to a mother s prayers Brandi Rarus was just 6

when spinal meningitis took away her hearing Because she spoke well and easily adjusted to lip reading she was mainstreamed in school and socialized primarily in the hearing community Brandi was a popular happy teen but being fully part of every conversation was an ongoing struggle She felt caught between two worlds the Deaf and the hearing In college Brandi embraced Deaf Culture along with the joys of complete and effortless communication with her peers Brandi went on to become Miss Deaf America in 1988 and served as a spokesperson for her community It was during her tenure as Miss Deaf America that Brandi met Tim a leader of the Gallaudet Uprising in support of selecting the university s first Deaf president The two went on to marry and had three hearing boys the first non deaf children born in Tim s family in 125 years Brandi was incredibly grateful to have her three wonderful sons but couldn t shake the feeling something was missing She didn t know that Zoe a six month old Deaf baby girl caught in the foster care system was desperately in need of a family unafraid of her different needs Brandi found the answer to her prayers when fate brought her new adopted daughter into her life Set against the backdrop of Deaf America Finding Zoe is an uplifting story of hope adoption and everyday miracles
