J. Watts, 2011-09-19 Stephen Northington was ten years old when his parents died His maternal grandmother knowing his parents wishes continued to raise the Northington children as Christians Stephen grew into a personable easy going and laid back guy He is a non politically correct Christian man without the expected fire and brimstone personality whose character is not often challenged However even though his Christian beliefs are sometimes questioned non believers find it hard to argue with him Kathy Hall was raised with very little religious influence in her life She grew up in an upper middle class family and was the youngest of four children and the only daughter She was very popular in high school and college and had the same four best friends all eight years She grew up to be a very beautiful woman and is successful in her career But Kathy is not successful in love and is a divorcee who is also the mother of a very urban preteen daughter Kendra Kendra is pampered but not spoiled She is allowed the freedoms of most urban children She travels to malls and Chicago attractions using the public transportation systems with her closest friends and knows the Chicago streets better than most adults She is also well aware of her mother's single life woes as she watches first hand the men that come in and out of her life and is present when her mother's friends sit around the kitchen table to discuss the details of their romantic adventures and failures Stephen and Kathy are coworkers at a major corporation and they eventually become acquainted They are assigned side by side cubicles where they become regular coffee chit chatters Kathy uses Stephen as a sounding board for her weekly Monday morning pity party cries over her failed relationships Eventually Kathy has a revelation as she suddenly sees Stephen in a new light and their lives become intertwined They find themselves facing life issues that initially create conflict between Kathy and Stephen The conflict between them begins to subside but increases for Kendra As they move forward with their lives Stephen is encouraged Kathy is motivated but Kendra's frustration deepens The lives of the three of them become more intertwined as

they face new and more challenging conflicts See how these three handles a homosexual couple attending a barbecue at the home of Christians and decide to challenge the host Kendra develops a friendship with a Christian girl and they become best friends She watches as her friend gets bullied by a school classmate and tries to encourage her and Kathy is alarmed and frustrated with the surprising political agendas revealed at the public school Kendra attends and challenges the administration Stephen Kathy and Kendra handle these challenges and more in *The Northington Chronicles A New Beginning* Book Reviews I found reading *The Northington Chronicles* to be magnetizing From the opening paragraph you re drawn in with the conflict swirling through Kendra s mind L J Watts has keenly constructed many scenarios that provide the correct amount of tension which makes *The Northington Chronicles* a compelling can t put the book down read Each chapter each scene begs both questions and answers How would I react if this event appeared in my life Not only are you given a glimpse inside the three main characters lives you truly get to live vicariously through them as their stories unfold Kudos to the author and may God continue to bless you ERW *Northington Chronicles A New Beginning* is the best book I ve read in years It s a mixture of everyday life issues with some comedy and drama with a little bit of romance sprinkled in there There s so much to learn from reading this book including how to biblically Christ like handle situations like bullying and domestic civil coupling etc It s a great book for book clubs because it causes one to have questions a *Overflow of the Spirit* Mark Virkler,Charity Virkler Kayembe,2020-11-17 All of the gifts of the Holy Spirit are available continuously effortlessly and naturally to every Christian First Corinthians 12 7 11 reveals the nine fold manifestation wisdom knowledge faith healing miraculous powers prophecy distinguishing between spirits speaking in tongues and interpretation of tongues but the Holy Spirit has much more that He wants to share with all Christians and He is ready to fill them to overflowing Most people believe they can only have one or two of the gifts mentioned in Paul s letter yet the Bible clearly shows that believers can receive all of them In fact the apostle himself probably evidenced all nine gifts However these are only examples of the way the Spirit of God may reveal Himself to His people They are not the only ways He will do so In *Overflow of the Spirit How to Release His Gifts in Every Area of Your Life* Dr Mark Virkler and co author Charity Virkler Kayembe his daughter endeavor to teach you how to connect with the Holy Spirit moment by moment and intentionally draw upon His supernatural abilities You will learn how to tune to the indwelling Holy Spirit and release Him into every situation of your life Rather than life being you in action it will be the Holy Spirit in action through you Blessings will overtake you as you live and walk by the Spirit The overflow of the Spirit opens the door to an entire lifestyle of intimacy with God that once mastered releases the heavens and God s provisions for your life The authors clear lineal biblical teaching is interspersed with real life stories that clearly illustrate each point Application exercises at the end of each chapter help to guide you into putting the lessons into action

Blosser, Charles A. Sullivan, 2023-08-21 In three carefully researched volumes this ground breaking study examines the gift of tongues through two thousand years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church's perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a Semitic liturgical language requiring bilingual interpreters This second volume tracks the perception and practice of tongues back through the first eighteen hundred years of church history demonstrating that tongue speaking was always active but puzzlingly different from today's glossolalia From Pope Benedict XIV's detailed treatise in the 1700s it works back through long forgotten scholastic and patristic debates to the earliest Christian writers such as Irenaeus No other resource on the subject approaches the depth and scope of the present volume     **God in 3D** Colin Green, 2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can't be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God
