New Deal For Blacks:

A New Deal for Blacks: The depression decade Harvard Sitkoff, 1978 Blacks in the New Deal: The Shift from an Electoral Tradition and its Legacy Abdelkrim Dekhakhena, 2014-11 No group of American minority voters shifted allegiance more dramatically in the 1930s than Black Americans did Up until the New Deal era Blacks had shown their traditional loyalty to the party of Lincoln by voting overwhelmingly the Republican ticket By the end of F D Roosevelt s first administration however they tremendously voted the Democratic ticket The decades long wholesale attachment of Blacks to the party of Lincoln with its laudable efforts to support Blacks Emancipation Proclamation and Reconstruction was understandable and inevitable enough The anomaly was the massive shift by Blacks to the Democratic Party traditionally identified with its long list of constant anti Black and premeditated opposition to Black liberation opposition to emancipation and Reconstruction and with an ongoing record of all forms of racial discrimination segregation disfranchisement exclusion white primaries and white supremacy The transformation of the Black vote from solidly Republican to solidly Democratic did not happen instantaneously but rather it developed over decades of maturing as a result of the amalgamated efforts of Presidents and Black leaders The move of Black voters toward the Democratic Party was part of a nationwide trend that had occurred with the creation of the Roosevelt Coalition of 1936 This national shift would make the Democrats the majority party for the next several decades including a very decisive margin of Black voters in the balance of power Black Americans in the Roosevelt Era John B. Kirby, 1982 This original and vital study enriches our understanding of the New Deal the African American experience and liberal reform Black Americans in Congress, 1870-2007, 2008 From the publisher Provides a comprehensive history of the more than 120 African Americans who have served in the United States Congress Written for a general audience this book contains a profile of each African American Member including notables such as Hiram Revels Joseph Rainey Oscar De Priest Adam Clayton Powell Shirley Chisholm Gus Hawkins and Barbara Jordan Individual profiles are introduced by contextual essays that explain major events in congressional and U S history Illustrated with many portraits photographs and charts Farewell to the Party of Lincoln Nancy Joan Weiss, 2020-09-01 This book examines a remarkable political phenomenon the dramatic shift of black voters from the Republican to the Democratic party in the 1930s a shift all the more striking in light of the Democrats indifference to racial concerns Nancy J Weiss shows that blacks became Democrats in response to the economic benefits of the New Deal and that they voted for Franklin Roosevelt in spite of the New Deal s lack of a substantive record on race By their support for FDR blacks forged a political commitment to the Democratic party that has lasted to our own time The last group to join the New Deal coalition they have been the group that remained the most loyal to the Democratic party This book explains the sources of their commitment in the 1930s It stresses the central role of economic concerns in shaping black political behavior and clarifies both the New Deal record on race and the extraordinary relationship between black voters and the Roosevelts **Freedom to Serve** Jon Taylor, 2013-05-02 On the

eve of America's entry into World War II African American leaders pushed for inclusion in the war effort and after the war they mounted a concerted effort to integrate the armed services Harry S Truman's decision to issue Executive Order 981 in 1948 which resulted in the integration of the armed forces was an important event in twentieth century American history In Freedom to Serve Jon E Taylor gives an account of the presidential order as an event which forever changed the U S armed forces and set a political precedent for the burgeoning civil rights movement Including press releases newspaper articles presidential speeches and biographical sidebars Freedom to Serve introduces students to an under examined event while illuminating the period in a new way For additional documents images and resources please visit the Freedom to Serve companion website at www.routledge.com/cw/criticalmoments
