Harrison E. Salisbury

New Emperors China:

The New Emperors Harrison Evans Salisbury, 1992 Explores the lives of Mao Zedong Teng Hsiao Ping and other Chinese government officials whose lavish lifestyles and intrigue rivaled the emperors they overthrew *New Emperors: China...* Harrison E. Salisbury, 1993-05-01 The concept of emperor in China is intimately associated with that of the dragon China's dragons guardians of the throne are unlike those of the West They are benign and protective but can turn like terrible emperors on the people If they do so it is the fault of the people not the dragons They breathe fire and thrash their tail only if betrayed a convenient concept for an emperor **Autocracy and China's Rebel Founding Emperors** Anita M. Andrew, John A. Rapp, 2000 What kind of ruler was Mao Zedong Utilizing a rich mix of analysis and new translations this book examines other imperial predecessors and the elements linking Mao and Ming Taizu the fourteenth century peasant rebel who founded the Ming dynasty as well as critiques of Western and Chinese scholarship The book then presents translations with commentary of PRC scholars on Taizu and Mao showing the evolution in Chinese thought toward both rulers from the Cultural Revolution to the Deng Xiaoping reform era **China's Reforms and Reformers** Alfred K. Ho, 2004-04-30 Ever since the death of Mao China has undergone a transformation almost as radical as the Communist Revolution that Mao instigated This book tells the stories of the many difficult economic political and social struggles that have taken place in post Maoist China Using both Chinese and non Chinese sources Alfred K Ho unravels the complexities of life in China during the past generation As Ho explains contemporary Chinese are seeking to find solutions to their problems that reflect their own cultural values As such reform in China cannot be seen solely as an effort to emulate the West especially the free market and democratic United States Rather Ho places current efforts at reform as part of a prolonged and continual process by Chinese to deal with their internal problems as well as the challenges and opportunities they face as a result of greater contact with the outside world [Welcome to China](#) Heather Knowles, 2011-09-01 Issue your students a passport to travel the globe with this incredible packet on China Units feature in depth studies of its history culture language foods and so much more Reproducible pages provide cross curricular reinforcement and bonus content including activities recipes and games Numerous ideas for extension activities are also provided Beautiful illustrations and photographs make students feel as if they're halfway around the world Perfect for any teacher looking to show off the world this must have packet will turn every student into an accomplished globetrotter [Friend of China - The Myth of Rewi Alley](#) Anne-Marie Brady, 2001 This study is a radical and controversial analysis of the life and works of Rewi Alley utilizing both Chinese materials and previously unpublished materials from western sources Rather than a biography as such it is a revisionist history **China in the 21st Century** Jeffrey N.
