

‘new’ Englishes

- Spoken in US, Canada, Australia, New Zealand, and South Africa
- Developed independently of and differently from British English, due to 1) mixture of dialects and accents of the early settlers; and 2) influence of the languages of the indigenous locals
- Direct decadence from British English + spoken as mother tongues → strong element of continuity in use

New Englishes

Eugene Green, Charles F. Meyer

New Englishes:

The New Englishes John Talbot Platt, Heidi Weber, Ho Mian Lian, 1984-01-01 World Englishes Jennifer Jenkins, 2003
Assuming no prior knowledge this book offers an accessible overview of English dialects with activities study questions sample analyses commentaries key readings It is structured around four sections introduction development exploration extension

The Oxford Handbook of World Englishes Markku Filppula, Juhani Klemola, Devyani Sharma, 2017-02-14
As the most widely documented language in human history English holds a unique key to unlocking some of the mysteries of the uniquely human endowment of language Yet the field of World Englishes has remained somewhat marginal in linguistic theory This collection heralds a more direct and mutually constructive engagement with current linguistic theories questions and methodologies It achieves this through areal overviews theoretical chapters and case studies The 36 articles are divided between four themes Foundations World Englishes and Linguistic Theory Areal Profiles and Case Studies Part I sets out the complex history of the global spread of English This is followed in Part II by chapters addressing the mutual relevance and importance of World Englishes and numerous theoretical subfields of Linguistics Part III offers detailed accounts of the structure and social histories of specific varieties of English spoken across the globe highlighting points of theoretical interest The collection closes with a set of case studies that exemplify the type of analysis encouraged by the volume As attention is focused on innovative work at the interface of dialect description and theoretical explanation the book is more succinct in its treatment of applied themes which are given complementary coverage in other works

World Englishes Kingsley Bolton, Braj B. Kachru, 2006 *The Syntax of Spoken Indian English* Claudia Lange, 2012
This book offers an in depth analysis of several features of spoken Indian English that are generally considered as typical but have never before been studied empirically Drawing on authentic spoken data from the International Corpus of English Indian component the book focuses on the domain of discourse organization and examines the form function and distribution of invariant tags such as isn't it and no na non initial existential there focus markers only and itself topicalization and left dislocation By focusing on multilingual speakers interactions the study demonstrates conclusively that spoken Indian English bears all the hallmarks of a vibrant contact language testifying to a pan South Asian grammar of culture which becomes apparent in contact induced language change in spoken Indian English The book will be highly relevant for anyone interested in postcolonial varieties of English contact linguistics standardization and discourse pragmatic sentence structure

Getting at GET in World Englishes Elisabeth Bruckmaier, 2017-02-20
Despite its exceptional frequency and versatility GET has never been a focus of research in its entire variability which goes from lexical to grammatical uses nor in large amounts of data from different varieties of English The present corpus based study deals with over 11 600 tokens of GET in written and spoken language from three varieties of English and thus provides new insights for variationist linguistics Firstly it offers a comprehensive semasiological syntactic analysis of GET i.e. an analysis of all its meanings and all the constructions into which it enters

suggesting ten categories as being necessary for its complete description Secondly it contributes to the understanding of factors that are at work in variation in World Englishes and lead to quantitative differences between regional standard varieties Thus the present study demonstrates that the use of GET in the New Englishes analysed is less affected by substrate effects than by the effects of Second Language Acquisition and the varying influence of British and American English norms Moreover it can be shown that the New Englishes display more grammatical uses of GET than does British English

The Variability of Current World Englishes Eugene Green, Charles F. Meyer, 2014-08-27 Faces of English explores the phenomenon of increasing dialects varieties and creoles even as the spread of globalization supports an apparently growing uniformity among nations The book's chapters supply descriptions of Jamaican English in Toronto English as an L2 in a South African mining township Chinese and English contact in Singapore unexpected emergent variants in Canadian English and innovations in the English of West Virginia Further the book offers some perspective on internet English as well as on abiding uniformities in the lexicon and grammar of standard varieties In the analyses of this heterogeneous growth such considerations as speakers sociolinguistic profiles phonological morpho syntactic and lexical variables frequencies and typological patterns provide ample insight in the current status of English both in oral and electronic communities The opening chapter presents a theoretical framework that argues for linguistic typology as conceptually resourceful in accommodating techniques of analysis and in distinguishing the wide arrays of English found throughout the globe One clear function for Faces of English is that of a catalyst to spur studies of diversities in English and in other languages to suggest approaches to adapt to invite counterargument and developments in analysis

English as a Contact Language Daniel Schreier, Marianne Hundt, 2013-01-17 Highlights the complexity of contact induced language change throughout the history of English by bringing together cutting edge research from historical linguistics variationist sociolinguistics pidgin creole linguistics and language acquisition With contributions from leading experts the book offers fresh and exciting perspectives as well as an up to date overview of the respective fields

The Handbook of Asian Englishes Kingsley Bolton, Werner Botha, Andy Kirkpatrick, 2020-10-06 Winner of the 2021 PROSE Humanities Category for Language Linguistics The first volume of its kind focusing on the sociolinguistic and socio political issues surrounding Asian Englishes The Handbook of Asian Englishes provides wide ranging coverage of the historical and cultural context contemporary dynamics and linguistic features of English in use throughout the Asian region This first of its kind volume offers a wide ranging exploration of the English language throughout nations in South Asia Southeast Asia and East Asia Contributions by a team of internationally recognized linguists and scholars of Asian Englishes and Asian languages survey existing works and review new and emerging areas of research in the field Edited by internationally renowned scholars in the field and structured in four parts this Handbook explores the status and functions of English in the educational institutions legal systems media popular cultures and religions of diverse Asian societies In addition to examining nation specific topics this comprehensive volume

presents articles exploring pan Asian issues such as English in Asian schools and universities English and language policies in the Asian region and the statistics of English across Asia Up to date research addresses the impact of English as an Asian lingua franca globalization and Asian Englishes the dynamics of multilingualism and more Examines linguistic history contemporary linguistic issues and English in the Outer and Expanding Circles of Asia Focuses on the rapidly growing complexities of English throughout Asia Includes reviews of the new frontiers of research in Asian Englishes including the impact of globalization and popular culture Presents an innovative survey of Asian Englishes in one comprehensive volume Serving as an important contribution to fields such as contact linguistics World Englishes sociolinguistics and Asian language studies The Handbook of Asian Englishes is an invaluable reference resource for undergraduate and graduate students researchers and instructors across these areas Winner of the 2021 PROSE Humanities Category for Language Linguistics

The Evolution of Englishes Sarah Buschfeld, Thomas Hoffmann, Magnus Huber, Alexander Kautzsch, 2014-09-15 This two part volume provides a collection of 27 linguistic studies and contributions that shed light on the evolution of different Englishes world wide varieties learner Englishes dialects creoles from a broad spectrum of different perspectives including both synchronic and diachronic approaches What makes the volume unique is that it is the first ever contribution to the field which includes a section exclusively committed towards testing discussing and refining Schneider s 2007 Dynamic Model against recent realities of English world wide Part 1 These realities include a wide variety of case studies ranging from regions socio linguistically as diverse as South Africa the Phillipines Cyprus or Germany Part 2 goes beyond the Dynamic Model and offers both empirical and theoretical perspectives on the evolution of World Englishes In doing so it provides contributions with a theoretical focus on the topic as well as cross varietal accounts it sheds light on individual Englishes from different geographical regions and offers new perspectives on old varieties

New Englishes Introduction

In the digital age, access to information has become easier than ever before. The ability to download New Englishes has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download New Englishes has opened up a world of possibilities. Downloading New Englishes provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading New Englishes has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download New Englishes. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading New Englishes. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading New Englishes, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed

and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download New Englishes has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About New Englishes Books

1. Where can I buy New Englishes books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a New Englishes book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of New Englishes books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are New Englishes audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read New Englishes books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
