New Face For The Church:

A New Face for the Church Larry Richards, 1981-02 **Our Cry for Life** Maria Pilar Aquino, 2002-11-26 The Two Faces of the Church...Get Right with God Zamora Gonzalez, 2019-02-15

Frustrated and angry with members in the church and discouraged by their behavior Ever felt betrayed and treated like a stranger by the church family Struggling to stay in the church and fearful about the future without God in it In The Two Faces of the Church Get Right With God Zamora shares with transparency about the church shortcomings and how to stay connected to God and worthy of Him Zamora shares her struggles to remain faithful to God as she noticed a shift in the church from holiness to carnality and the drifting away from Bible doctrines and the life changing moment that brought her inner peace Through her own experience vignettes and Biblical tips she guides the way to healing and repentance that will draw you nearer to God as you discover You can stand up and do what you were called to do for the church You will not allow the problems of this world and the ungodly behaviors of the church members to affect you anymore You will encounter many trials and tribulations but will remember that God remains faithful and true to His word He will not walk away and leave you You were not saved by your own volition but by God's pursuit to save you and you are still here because God has extended your life for His purpose If you who have been emotionally injured and experienced grave disappointments in the church and have questioned your walk with God this book is for you

Four Views of Youth Ministry and the Church Wesley Black, Chap Clark, Malan Nel, 2010-01-05 Join the conversation as experts propose defend and explore Four Views of Youth Ministry and the Church In a dialog that often gets downright feisty four youth ministry academicians delineate their distinct philosophical and ecclesiological views regarding how youth ministry relates to the church at large and leave a taste of what's profound and what's not in these four typologies Inclusive congregational Malan Nel What happens when a church thoroughly integrates its adolescents making them full partners in every aspect of congregational life Preparatory Wesley Black Why and how should a church consider its teenagers as disciples in training and its youth ministry a school of preparation for future participation in church life Missional Chap Clark What does a church look like whose youth ministry does not necessarily nurture church kids but is essentially evangelistic Whose youths and youth workers are considered missionaries Strategic

The True Church and the Poor Jon Sobrino, 2004-10-29 Of Jon Sobrino's first book Christology at the Crossroads the Church Times wrote It is radical without being reductionist It is relentless in its refusal to let us avoid the challenge of Jesus by sliding into theological or cultic abstractions It will stimulate illuminate and infuriate those whose minds are jaded by the current state of British theology And like all great theology it will bring you uncomfortably close to the living Jesus This second book also written out of the hell of El Salvador is if anything even more powerful and uncomfortable Dedicated To all men and women of El Salvador who have given their lives for the kingdom of God it took shape while Bishop Romero his priests Christian peasant leaders and catechists lived and died Doing theology in this situation requires that theology not only follows a specific method but that it also has a specific character Theology in this situation becomes responsible Theologians do not arbitrarily decide to study this or that theme the theme is forced upon them by reality Theology becomes practical because its motivating concern is not pure thought nor even pure truth but rather the building of the kingdom of God and of a church that will be at the service of this kingdom Theology becomes evangelical in the true sense of that word it is done with pleasure in the Good News and with joy that there is salvation for the poor Finally theology becomes a response of gratitude because its starting point is the primordial Christian experience that something has been given to us What has been given to us is the mystery of God present in Jesus and in a church that is poor and is of the poor
