## **New Gaither Vocal Band The:**

**New Gaither Vocal Band** ,1992-03-01      **The Lord's Radio** Mark Ward Sr.,2017-07-19 Evangelical Christianity the faith professed by one in four Americans exerts an enormous influence in American society Believed by some to have originated as a reaction to the social revolution of the 1960s evangelicalism as a distinct subculture in fact dates to the advent of radio The evangelical faithful flocked to the airwaves developing a nationwide mass culture as listeners across denominational lines heard the same popular preachers and music Evangelicals left behind the fundamentalism of the early 20th century as broadcast ministries laid the foundation for the culturally engaged New Christian Right of the late 20th century This historical ethnography presents the era s major radio evangelists and songwriters in the own words drawing on their writings and recordings as well as songbooks liner notes and song story anthologies of the period      The Roar Within Brent Henderson,2021-05-11 Every boy has dreams of the man he will become exploring the world fighting the enemy and being dangerous for good He imagines himself as the hero the expert the one others look up to Then somewhere along the way the lies of the enemy knock him down his dreams are shattered and he loses purpose as the enemy attempts to rob him of his true identity In this hard hitting book world class hunter adventurer and popular speaker Brent Henderson takes men on a journey to some of the most dangerous and deadly places on earth Along the way he helps each man discover that the most powerful force in the universe can be found in his spirit where God resides He shows men how to recover what s been lost by answering their biggest questions Who am I really Where does my value come from and Am I enough The perfect gift for Father s Day The Roar Within will set men free and equip them to live lives of purpose courage and confidence      **Hot Hits** Jeffrey Lee Brothers,2003-07 Til Death explores the conflict that male and females experience in relationships especially marriage Part one examines the theological and moral aspects of male female relationships Part two is a love story where differing moral values clash and its consequences      **Music in the Air** Mark Ward Sr.,2017-08-14 The old gospel song invited listeners to turn their radios on and hear the music in the air Now return to the eventful days when Americans could turn the lights down low and listen to the Master s radio through this colorful and inspiring history of Christian music and ministry during the golden age of gospel radio Learn the stories behind such legendary groups as Blackwood Brothers Statesmen Gaithers Back to the Bible Quartet Old Fashioned Revival Hour Quartet Haven of Rest Quartet and Stamps Quartet Follow the careers of the great songwriters of the radio days men such as Albert Brumley Merrill Dunlop John W Peterson and Stuart Hamblen Read about the evangelists who pioneered Christian broadcasting such as Billy Graham Charles Fuller Jack Wyrzten Percy Crawford Paul Myers Torrey Johnson Walter Maier Theodore App and Paul Vader And learn the stores behind the greatest gospel songs of the country from Some Golden Daybreak to Beyond the Sunset plus more than 100 others      The Evangelicals Robert Krapohl,Charles H. Lippy,1999-04-30 The different facets of American religious life are more thoroughly understood with an awareness of the Evangelical heritage that intersects the different

denominational boundaries Since Evangelicalism is not confined to one religious denomination or group it has associations with a number of American religious movements such as Fundamentalism Pentecostalism the Charismatic Movement and Revivalism This study modeled after the popular Greenwood Denominations in America series analyzes the people institutions and the religious culture of modern American Evangelicals Divided into three sections the book presents a history of American Evangelicalism discusses themes and issues in modern American Evangelicalism and provides a biographical dictionary of modern American Evangelical leaders The combination of critical narrative and reference will appeal to religion scholars and American culture scholars alike Separate bibliographies unique to the history section and to the themes and issues section provide valuable resources for further research Equally helpful is the bibliographic material that completes each entry in the biographical dictionary section of the book The three part organization makes this an accessible research tool clearly organized for easy cross referencing
