Turkey's Foreign Policy in the 21st Century Mustafa Aydin,2019-06-04 Title first published in 2003 In this insightful book the authors explore Turkey's role within a globalizing world and as a new century unfolds examine a nation at the crossroads of both time and space within the international political order Chapters consider Turkey's policy history its prospects and policy issues and discuss them with positive alternatives outlined for Turkish policy makers and the academics who examine them

When Empire Meets Nationalism Didier Chaudet,Florent Parmentier,2016-02-11 This innovative study presents an in depth political and sociological analysis of the internal power politics and imperial forms developed by the Russian neo eurasianists and the neo conservatives in the United States It traces the growth of nationalism and the concept of Empire in relation to the ideologies and foreign policy of both Russia and the USA Beginning with a genealogy of the two movements the authors present the intricacy of imperial rhetoric and nationalist ideologies in modern states compared with the distinctive definition of Empire as a politico historical form The extent to which these ideas have shaped the foreign policy of Russia and the USA is then related to events in Central Asia Afghanistan Iran Iraq Saudi Arabia and Turkey The analysis of each case provides a better understanding of the imperial character of these foreign policies in relation to their nationalist foundations The combination of political theory and geopolitics makes this cutting edge research a must read to all interested in the evolving discourse surrounding Empire

The Turkish Economy in Crisis Ziya Onis,Barry Rubin,2004-08-02 This book provides a

set of critical perspectives on the economic crises of 2000 and 2001 focusing on both the origins and consequences of the crises Attention is drawn to the role of domestic actors as well as key external actors such as the International Monetary Fund in precipitating the twin crises *Turkey's Entente with Israel and Azerbaijan* Alexander Murinson,2009-12-04 With the end of the Cold War came a new political instability in Turkey and a shift in relations with the West leading the government to adopt new foreign policies and forge alliances with neighbouring states This book offers a detailed and comprehensive analysis of the evolution of the trilateral relationship between Turkey Israel and Azerbaijan Drawing both on first hand interviews and on research not previously available in the English language Alexander Murinson brings a new perspective to the study of the relationship between the three countries In particular he examines the commonalities of state identities that brought the countries together the role of state institutions the security dimension and the influence of globalization In a period of growing concerns about European energy security the book provides an extensive discussion of the activities carried out by various think tanks especially in Washington regarding the regional and domestic politics of the three countries An original contribution to study of regional processes in the expanded Middle East after the end of the Cold War this book is a welcome addition to the literature on the regional politics of the Middle East and the Caucasus As such it will be of great interest to anyone studying international relations security studies and Middle Eastern politics The Security Context in the Black Sea Region Dimitrios Triantaphyllou,2013-10-18 This book on the security context in the Black Sea region is a timely endeavour and substantive contribution to understanding the state of play in the region and its linkages to the rest of the world With contributions from analysts from Europe the United States Russia Ukraine and Turkey the book provides a holistic perspective Post Cold War developments have increased interest in the Black Sea region and the role of the regional and extra regional actors in its security issues this volume examines the position of the United States NATO s involvement the EU s engagement Russia and Turkey s aspirations alongside the policies of the other states in the region as they seek a role for themselves It illustrates and investigates key concerns such as security energy and energy security regionalism and good governance and questions why a cooperative security framework or other regional schemes which could accommodate the needs of all stakeholders has to date never become a reality This book adds to the growing body of research on the region presenting the facts of the current situation and asking what can be done in the Black Sea region for it to survive given its precarious security environment This book was published as a special issue of Southeast European and Black Sea Studies **Turkey and the US in the Middle East** Gürcan Balik,2016-05-26 Written by the former chief foreign policy advisor to the Turkish president and based on unprecedented access to official documents and communiques this book gives the inside story of Turkish US relations from the first Gulf War through debates on the Iraqi Kurdish question the 2003 invasion of Iraq and into the present day Using events in Iraq as the basis for a theoretical case study Gurcan Balik argues that Turkey influenced US foreign policy on several key occasions and that Turkish support was

instrumental in the first intervention in Iraq After Iraq s 1991 uprisings however Turkey s interests in the Middle East began to diverge from those of the US and their relationship gradually deteriorated evident in Turkey s refusal to open up its northern border to aid the US advance to Baghdad in 2003 Balik contends that an Iraq gap then emerged which has since had major implications for the Turkish economy and for the future of the Middle East Turkey and the US in the Middle East contains hitherto unpublished primary source material and is an essential addition to the scholarship of the period *Iran's Foreign Policy in the South Caucasus* Marzieh Kouhi-Esfahani, 2019-01-10 Iran s role as a regional power is more significant than many in the West may realise The country lies between Central Asia the Caucasus and the Gulf region on the one hand and on the other between the Mediterranean Levant region and South Asia Many of these areas are of increasing strategic importance This book explores Iran s role as a regional power focusing on relations with South Caucasus countries Azerbaijan and Armenia It outlines the historical context including Persia s rule of these countries before the nineteenth century and discusses Iran s approach to foreign and regional policy and how both internal and international factors shape these policies The book assesses Iran Azerbaijan and Iran Armenia bilateral relations to demonstrate how those policies translate in Iran s regional and bilateral relations The book concludes by considering how Iran s relations in the region are likely to develop in the future *Turkey and the European Union* Ali Carkoglu, Barry Rubin, 2004-11-23 These papers examine the history behind Turkey s application for EU membership The contributors tackle the thorny issues of Cyprus Turkey s attitude towards a common defence policy and Turkish parliamentarians views on the nation s relations with the European Union
