But more than a mere guide, the book is an encyclopedia of information on the latest, hottest, and most innovative technologies, services, and web sites of the future. The Future World Symposium, through the Future World Project of the World Future Foundation, sponsored this book in its ongoing effort to help those people who would want to make policy decisions in connection with the future, and all the books have been donated and sold for the benefit of the project. The book is one of the numerous products of work to be released, sponsored or organized by the organization, but just in case you're not a member but still want your say in the future, the site and phone
