New Harp Of Columbia:

The New Harp of Columbia Marcus Lafayette Swan, William H. Swan, 2001 In the small towns and rural areas of early America church sponsored singing schools proliferated as a way of both improving congregational singing and drawing communities together Congregants attending these schools were taught a form of musical notation in which the notes were assigned different shapes to indicate variations in pitch a method that worked well with singers having little understanding of standard musical notation These schools eventually became major social events that drew hundreds of attendees and today countless enthusiasts carry on the shape note tradition The New Harp of Columbia originally published in Knoxville in 1867 was a shape note tunebook used in East Tennessee singing schools It was based on an even earlier publication The Harp of Columbia 1848 In 1978 the University of Tennessee Press published a facsimile edition of The New Harp with an introduction by Dorothy D Horn Ron Petersen and Candra Phillips that detailed the history of shape note singing as well as the story of the tunebook itself and its original compilers W H Swan and M L Swan That edition went out of print in 1999 Now for this restored edition of the tunebook the Press has reprinted not only the full text of its 1978 facsimile edition but has included additional tunes that were part of the original 1848 Harp of Columbia A few verses to some songs favored by contemporary singers have also been added and a new foreword by Larry Olszewski and Bruce Wheeler brings the story of the tunebook and its users up to date Included in the book are old psalm and hymn tunes anthems fuguing pieces and folk hymns a total of more than two hundred pieces that represent a fascinating slice of Americana As a reviewer for the Journal of Church Music noted of the 1978 facsimile The book is a worthwhile addition to any church musician's library especially those interested in the development of American sacred music over the past two centuries This publication marks a significant new step in preserving an important musical tradition

A Companion to the New Harp of Columbia Marion J. Hatchett, 2003 The shape note tradition first flourished in the small towns and rural areas of early America Church sponsored singing schools taught a form of musical notation in which the notes were assigned different shapes to indicate variations in pitch this method worked well with congregants who had little knowledge of standard musical notation Today many enthusiasts carry on the shape note tradition and The New Harp of Columbia recently published in a restored edition by the University of Tennessee Press is one of five shape note singing manuals still in use

L. Swan, 1921 The New harp of Columbia : a system of musical notation, with a note for each sound, and a shape for each note, containing a variety of most excellent Psalm and hymn tunes, odes and anthems, happily adapted to church service, singing-schools and societies, 1867 **The new harp of Columbia** M.L. Swan, 1907 **Presidential Praise** C. Edward Spann, Michael Edward Williams, 2008 Presidential Praise Our Presidents and Their Hymns offers the most comprehensive

coverage ever written of the influence of hymns on the lives and administrations of America's presidents. Each chapter begins with Michael Williams's concise presentation of each president's path to the White House and his accomplishments and failures as president. C. Edward Spann then introduces how each president regarded music, whether or not he was musical, and music in the White House during each president's administration. These hymns may be related to developments in the life of the president, including his spiritual journey, major decisions he had to make as president, or even his selection of the inaugural Scripture. Spann then tells the story of how the hymn was written, both the words and the music. Presenting this scholarly material in an inspiring manner is part of the delight of the book. In doing so, the book covers a panorama of hymnody from 1614 to the 1980s. After an interpretation of the words, it is demonstrated why the chosen hymns were meaningful to each president. The format of each chapter reveals this special emphasis that can't be found elsewhere.
