

NEW LIGHT ON LUKE

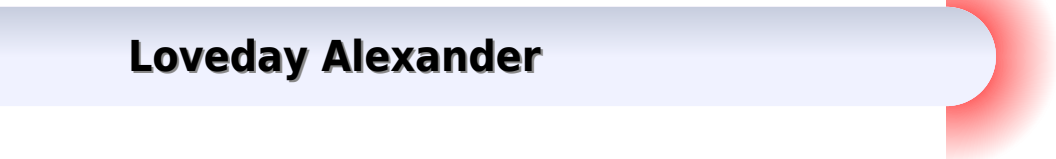

Its Purpose, Sources
and Literary Context

BARBARA SHELLARD

New Light On Luke

Loveday Alexander

New Light On Luke:

New Light on Luke Barbara Shellard, 2004-10-27 This radical new interpretation reveals many connections between Luke and Johannine traditions Comparison of pericopae shared by Luke and John suggests that the usual assumptions of Lukan priority may be mistaken instead his may be chronologically the fourth gospel Luke nevertheless treats his sources in different ways his response being both critical and creative He aims to give security to Christians by including as much as possible and reconciling conflicting traditions while firmly excluding heretical misinterpretation Shellard also includes a consideration of Luke's use of possible sources both canonical and extra canonical and places Luke Acts in its literary context noting among other things the presentation of Rome as a facilitator of evangelization and a promoter of co existence This is volume 215 in the Journal for the Study of the New Testament Supplement series *Luke's People* Thomas J. F. Stanford, 2014-05-27 Luke's People seeks to understand the men and women who met Jesus and the apostles as they are described in the Gospel of Luke and in the Acts of the Apostles in the way that Luke who wrote these works intended This socio historical literary study seeks to interpret Luke's writings in the light of the time when they were written on the basis that Luke was a skilled writer who wrote what he meant and meant what he wrote It argues that Luke's depiction of women has been grossly misunderstood and finds that this misunderstanding may be due to a widespread attempt around the end of the first century to impose a patriarchal system of governance upon the church Luke's People shows that Luke did not share such a patriarchal viewpoint but instead always presents Christian women as autonomous and agentic It also finds that this patriarchal interpretation both distorts Luke's presentation of the rich and powerful who are shown to receive their authority from the devil and obscures the way in which the love of money corrupts men in his story *Becoming John* Kari Syreeni, 2018-10-18 In this new analysis of the Gospel of John Kari Syreeni argues that the gospel is a heavily reworked edition of an earlier Johannine work and that the original did not include Jesus' passion Syreeni theorizes that the original gospel ended at Chapter 12 with the notion of Jesus' disappearance from the world and that the passion narrative was incorporated by a later editor freely using the existing gospels of Mark and Matthew Syreeni suggests that the letters of John written after the predecessor gospels but before the final edition reveal a schism in the Johannine community that was caused by the majority faction's acceptance of Jesus' death and resurrection as it was then recorded in the new gospel By exploring the gospel's different means of legitimizing the passion story such as the creation of the Beloved Disciple to witness Jesus' passion and the foreshadowing of the resurrection of Jesus in the miracle of Lazarus Syreeni provides a bold and provocative case for a new understanding of John *Envisioning God in the Humanities* Courtney J. P. Friesen, 2018-11-09 The humanities offer insights into the highest and lowest capabilities of our own natures and at their best they function as prophetic champions of human dignity and as inspired celebrants of beauty *Envisioning God in the Humanities* pays tribute to the career of Melissa Harl Selleva a scholar and teacher who embodies the ideals of these

academic disciplines The collaboration of these essays attests to the potentialities for transcendence that emerge from rigorous and collective reflection on the texts images and ideas produced in ancient societies Taking its cue from Professor Selless own distinguished scholarship this collection of studies begins with analyses of the New Testament Gospels then moves more broadly toward the religious life of the ancient world as attested both in literature and materiality among Jews and Christians Greeks and Romans Just as Selless has done throughout her career so this volume invites us into to the joy of exploring distant societies and in so doing into the fuller discovery of one s own self

From the Earliest Gospel (Q+) to the Gospel of Mark Dennis R. MacDonald, 2019-10-17 From the Earliest Gospel Q to the Gospel of Mark focuses on the remarkable overlaps between Jesus s teachings in the lost Gospel Q and Mark Dennis R MacDonald argues Synoptic intertextuality is best explained not as the redaction of sources but more flexibly as the imitation of literary models Part One applies the criteria of mimesis criticism in a running commentary on Q to demonstrate that it polemically imitated Deuteronomy Part Two argues that Mark in turn tendentiously imitated Logoi The Conclusion proposes that Matthew and Luke in turn brilliantly and freely imitated both Logoi and Mark and by doing so created scores of duplicate sayings and episodes doublets

Paul Against the Idols Flavien Pardigon, 2019-02-01 The story of Paul s visit to the city of Athens with its speech delivered before the Areopagus council is one of the best known and most celebrated passages of the Acts of the Apostles Being the only complete example of an apostolic address to pure pagans recorded it has consistently attracted the attention of historians biblical scholars theologians missionaries apologists artists and believers over the centuries Interpretations of the pericope are many and variegated with opinions ranging from deeming the speech to be a foreign body in the New Testament to acclaiming it as the ideal model of translation of the Christian kerygma into a foreign idiom At the heart of the debate is whether the various parts of the speech must be understood as Hellenistic or biblical in nature or both Paul Against the Idols defends and develops an integrated contextual study of the episode Reading the story in its Lukan theological intertextual narrative linguistic and historical context enables an interpretation that accounts for its apparent ambivalence This book thus contributes to the ongoing hermeneutical and exegetical scholarly discussions surrounding this locus classicus and suggests ways in which it can contribute to a Christian theology of religions and missiology

The Character and Purpose of Luke's Christology Douglas Buckwalter, 1996-08-28 Luke s christology is carefully designed Luke portrays the exalted Jesus as God s co equal by the kinds of things he does and says from heaven Through the Holy Spirit the divine name and personal manifestations Jesus behaves toward people in Luke Acts as does Yahweh in the Old Testament His power and knowledge are supreme Jesus sovereignly reigns over Israel the church the powers of darkness and the world Luke deepens this portrait by depicting Jesus as deity who by nature behaves as servant the earthly Jesus acted among his people as one who serves the exalted Jesus continues serving his people by strengthening and encouraging them in their witness of him to the world That the believers in Acts resemble the way Jesus behaved in the Gospel means that they too are

now imaging some of his servant like character in their witness of him *Jesus Unleashed* Ron Clark,2014-01-03 Luke s narrative of Jesus was presented to Christians who had already heard and read stories of Jesus and the birth of this new movement Christianity Luke seemed to rewrite the story of Jesus similar to ancient epics of the history of a nation a movement and the tale of a hero Jesus and the church emerged in occupied Judea a nation that was not only oppressed but was in exile Occupied Judea however struggled for power and honor and in turn for marginalized people who needed God Jesus the epic hero journeyed to earth and Jerusalem to free those on the margins of society This epic story lives on today in a church that also has heard the story of Jesus but has forgotten that the friend of sinners calls Christians to also reach those who are marginalized by our occupied culture Luke invites Christians to emerge as a movement that seeks and saves those ostracized by our communities **Luke's wife** Evelyn R. Garratt,2025-03-02 In *Luke s Wife* Evelyn R Garratt weaves a poignant narrative that explores the complexities of love sacrifice and identity through the lens of an ordinary woman navigating her extraordinary circumstances Set against a backdrop of societal upheaval the novel is characterized by its lyrical prose and rich character development offering readers an intimate glimpse into the protagonist s internal struggles and evolving relationships Garratt deftly balances emotional depth with social commentary inviting reflection on the roles and expectations placed upon women in contemporary society Evelyn R Garratt an acclaimed writer known for her insightful portrayals of women s experiences draws on her background in social work and feminist literature to shape the narrative of *Luke s Wife* Her personal experiences and keen observations of human behavior infuse the characters with authenticity allowing readers to resonate deeply with their triumphs and tribulations Garratt s commitment to exploring themes of resilience and empowerment sets her apart as a vital voice in modern literature I highly recommend *Luke s Wife* to readers seeking a compelling and thought provoking tale that examines the intricacies of personal relationships and societal pressures Garratt s masterful storytelling will not only engage but also inspire making this book a significant contribution to contemporary fiction **The Preface to Luke's Gospel** Loveday Alexander,2005-10-13 Completely re evaluates the background to and provenance of the preface to Luke s Gospel
