Hubka, 2022-12-07 A classic work on farm buildings made by nineteenth century New Englanders refreshed with a new introduction Big House Little House Back House Barn portrays the four essential components of the stately and beautiful connected farm buildings made by nineteenth century New Englanders that stand today as a living expression of a rural culture offering insights into the people who made them and their agricultural way of life A visual delight as well as an engaging tribute to our nineteenth century forebears this book first published nearly forty years ago has become one of the standard works on regional farmsteads in America This new edition features a new preface by the author **Creating The Countryside** Erna Melanie DuPuis, Peter Vandergeest, 1996-01-26 People active in regional environmental crises discuss the destruction conservation and creation of the countryside Kaufman Field Guide to Nature of New England Kenn Kaufman, Kimberly Kaufman, 2012 Presents an illustrated field guide to the plants wildlife night sky and natural environments of New England **The Body in the Reservoir** Michael Ayers Trotti, 2010-02-15 Centered on a series of dramatic murders in nineteenth and early twentieth century Richmond Virginia The Body in the Reservoir uses these gripping stories of crime to explore the evolution of sensationalism in southern culture In Richmond as across the nation the embrace of modernity was accompanied by the prodigious growth of mass culture and its accelerating interest in lurid stories of crime and bloodshed But while others have emphasized the importance of the penny press and yellow journalism on the shifting nature of the media and cultural responses to violence Michael Trotti reveals a more gradual and nuanced story of change In addition Richmond's racial makeup one third to one half of the population was African American allows Trotti to challenge assumptions about how black and white media reported the sensational the surprising discrepancies offer insight into just how differently these two communities experienced American justice An engaging look at the connections between culture and violence this book gets to the heart or perhaps the shadowy underbelly of the sensational as the South became modern Cost and Adequacy of Fuel Oil, Hearings Before the Subcommittee on Small Business of ..., 92-1 ..., September 8 ...
