format to coincide with the reissue of the complete Cambridge Bible Commentaries series which was itself based on the NEB text Understanding English Bible Translation Leland Ryken, 2009-09-02 From the KJV to the NIV NLT ESV and beyond English Bible translations have never been as plentiful as they are today This proliferation has also brought confusion regarding translation differences and reliability This book brings clarity to the issues and makes a strong case for an essentially literal approach Taking into account the latest developments in Bible translation Leland Ryken expertly clarifies the issues that underlie modern Bible translation by defining the terms that govern this discipline and offering a helpful Q individuals churches and ministries in the process of choosing a translation and college and seminary students and faculty
