New Hanover County A Brief History:

New Hanover County Enoch Lawrence Lee,1971 Brief history of the first settlers in the Cape Fear region including the development of Brunswick Town and Wilmington Information on the county from its creation in 1739 to the 1970s A History of New Hanover County and the Lower Cape Fear Region Alfred Moore Waddell,1909 A History of New Hanover County and the Lower Cape Fear Region: 1723-1800 Alfred Moore Waddell,1909 **History of New Hanover County and the Lower Cape Fear Region** Alfred Moore Waddell,1997-07-01 Handbook of the Linguistic Atlas of the Middle and South Atlantic States William A. Kretzschmar,William A. Kretzschmar Jr.,1993-09-15 Who uses skeeter hawk snake doctor and dragonfly to refer to the same insect Who says gum band instead of rubber band The answers can be found in the Linguistic Atlas of the Middle and South Atlantic States LAMSAS the largest single survey of regional and social differences in spoken American English It covers the region from New York state to northern Florida and from the coastline to the borders of Ohio and Kentucky Through interviews with nearly twelve hundred people conducted during the 1930s and 1940s the LAMSAS mapped regional variations in vocabulary grammar and pronunciation at a time when population movements were more limited than they are today thus providing a unique look at the correspondence of language and settlement patterns This handbook is an essential guide to the LAMSAS project laying out its history and describing its scope and methodology In addition the handbook reveals biographical information about the informants and social histories of the communities in which they lived including primary settlement areas of the original colonies Dialectologists will rely on it for understanding the LAMSAS and historians will find it valuable for its original historical research Since much of the LAMSAS questionnaire concerns rural terms the data collected from the interviews can pinpoint such language differences as those between areas of plantation and small farm agriculture For example LAMSAS reveals that two waves of settlement through the Appalachians created two distinct speech types Settlers coming into Georgia and other parts of the Upper South through the Shenandoah Valley and on to the western side of the mountain range had a Pennsylvania influenced dialect and were typically small farmers Those who settled the Deep South in the rich lowlands and plateaus tended to be plantation farmers from Virginia and the Carolinas who retained the vocabulary and speech patterns of coastal areas With these revealing findings the LAMSAS represents a benchmark study of the English language and this handbook is an indispensable guide to its riches A History of New Hanover County and the Lower Cape Fear Region Alfred Moore Waddell,1979 Black Wilmington and the North Carolina Way John L. Godwin,2000 In this gripping narrative of the development of the Civil Rights movement in North Carolina Dr John L Godwin brings to life the infamous case of the Wilmington Ten and the subsequent allegations of conspiracy Through extensive research and interviews he seeks to uncover some of the truth behind the actual events of the 1972 trial while at the same time drawing readers in with the compelling details of the movement s origins in North Carolina and its ultimate outcome in one community Dr Godwin underscores his effort with a

comprehensive exploration of the Civil Rights movement through the eyes of the locality comparing it incisively to the earlier protests of the 1960s His portrait joins that of scholars who have sought to describe the transformation brought about by black leadership on the local and state level recounting both its victories and the frustrated hopes of local activists in addition to how the new conservatism ultimately succeeded in co-opting the movement For Wilmington this is set against the background of North Carolina politics and civic culture highlighting the role of Benjamin Chavis and his rise to national prominence Filled with pictures that personalize this troubled era of American history Dr Godwin's book is an essential resource not only to historians but also to students of public policy *Irish Immigrants in the Land of Canaan* Kerby A. Miller, 2003 Publisher's description Irish Immigrants in the Land of Canaan is a monumental study of early Irish Protestant and Catholic immigration to America Through exhaustive research and analysis of the migrants letters and memoirs the editors explore why the immigrants left Ireland how they adapted to colonial and revolutionary America and how their experiences and attitudes shaped society culture and politics and created modern Irish and Irish American identities in America and Ireland alike A List of the Genealogical Works in the Illinois State Historical Library Illinois State Historical Library, 1914 A List of the Genealogical Works in the Illinois State Historical Library, Springfield, Illinois Illinois State Historical Library, 1914
