 take you through the book of Hebrews passage by passage so that you can better understand the author s message the
 cultural context and the perfect sufficiency of Christ The early Jewish believers had come from a background of legalism and
 works When God came to earth in human flesh as the New Covenant these believers discovered the freedom they could have
 in Jesus and the relationship they could enjoy with Him Yet in the midst of persecution and rejection they were often tempted
 to hold on to the former symbols rituals and traditions grounded in the requirements of the Old Covenant The unknown
 author of Hebrews sought to address this problem by contrasting the Old and New Covenants brilliantly showing that Christ
 is higher than any Old Testament character priest ritual or sacrifice Because of Jesus life death and resurrection He is the
 perfect sacrifice and our own High Priest And He has given all believers unfettered access to God ABOUT THE SERIES The
