Padraig O Fathaighs War Of Independence:

Pádraig Ó Fathaigh's War of Independence Pádraig Ó Fathaigh, 2000 Padraig O Fathaigh 1879 1976 was a lifelong Gaelic Leaguer and teacher of Irish Already a prominent member of the Irish Republican Brotherhood and the Irish Volunteers before 1916 O Fathaigh was arrested on Easter Tuesday before he could join forces with Liam Mellows He spent the next year undergoing penal servitude the first of four terms of imprisonment between 1916 and 1920 When at liberty he acted as an intelligence officer in South Galway and Mid Clare taking part in some minor ambushes His detailed and thoughtful handwritten recollections of life on the run and in prison portray the widening chasm between Irish nationalists and agents of authority such as the police For men like O Fathaigh the Irish language was essential to nationality providing access to a secret world which the oppressor could never enter These personal recollections will interest all students of the Irish revolution and the Gaelic revival

The Irish Republican Brotherhood, 1914-1924 John O'Beirne Ranelagh, 2024-06-20 This captivating book delves into the secretive world of the Irish Republican Brotherhood IRB and its profound impact on Ireland's political landscape between 1914 and 1924 With the aid of new documentation Ranelagh unravels the true influence of the oath bound society without which the 1916 Rising might never have taken shape For Michael Collins the IRB was the true custodian of the Irish Republic and the only body he pledged his loyalty to but its legacy remains obscured by its intense secrecy This book re-introduces the IRB as the organisation that created and furnished the IRA influenced the result of the critical 1918 election and changed the face of Irish history From amon de Valera's recollections of how he first learned of the Treaty to narratives from Nora Connolly O'Brien Emmett Dalton et al testimonies from key figures paint a vivid picture of the IRB's inner workings and external influence A fascinating exploration of secret societies political manoeuvres and personal sacrifices The Irish Republican Brotherhood 1914 1924 casts new light on a pivotal chapter in Ireland's quest for independence

Political Imprisonment and the Irish, 1912-1921 William Murphy, 2016-04-14 For a revolutionary generation of Irishmen and Irishwomen including suffragettes labour activists and nationalists imprisonment became a common experience In the years 1912 1921 thousands were arrested and held in civil prisons or in internment camps in Ireland and Britain The state's intent was to repress dissent but instead the prisons and camps became a focus of radical challenge to the legitimacy and durability of the status quo Some of these prisons and prisoners are famous Terence MacSwiney and Thomas Ashe occupy a central position in the prison martyrology of Irish republican culture and Kilmainham Gaol has become one of the most popular tourist sites in Dublin In spite of this a comprehensive history of political imprisonment focused on these years does not exist In *Imprisonment and the Irish 1912 1921* William Murphy attempts to provide such a history He seeks to detail what it was like to be a political prisoner how it smelled tasted and felt More than that the volume demonstrates that understanding political imprisonment of this period is one of the keys to understanding the Irish revolution Murphy argues that the politics of imprisonment and the prison

conflicts analysed here reflected and affected the rhythms of the revolution and this volume not only reconstructs and assesses the various experiences and actions of the prisoners but those of their families communities and political movements as well as the attitudes and reactions of the state and those charged with managing the prisoners

War and Revolution in the West of Ireland Conor McNamara, 2018-03-12 The period 1913-22 witnessed extraordinary upheaval in Irish society The Easter Rising of 1916 facilitated the emergence of new revolutionary forces and the eruption of guerrilla warfare In Galway and elsewhere in the west the new realities wrought by World War One saw the emergence of a younger generation of impatient revolutionaries In 1916 Liam Mellows led his Irish Volunteers in a Rising in east Galway and up to 650 rebels took up defensive positions at Moyode Castle From the western shores of Connemara to market towns such as Athenry Tuam and Galway local communities were subject to unprecedented use of terror by the Crown Forces Meanwhile conflict over land an enduring grievance of the poor threatened to overwhelm parts of Galway with sustained land seizures and cattle drives by the rural population War and Revolution in the West of Ireland Galway 1913-1922 provides fascinating insights into the revolutionary activities of the ordinary men and women who participated in the struggle for independence In this compelling new account Galway historian Conor McNamara unravels the complex web of identity and allegiance that characterised the west of Ireland exploring the enduring legacy of a remarkable and contested era

Shadow of a Taxman R. J. C. Adams, 2022 Who funded the Irish Revolution In Shadow of a Taxman R J C Adams investigates how the unrecognised Irish Republic's money was solicited collected transmitted and safeguarded as well as who the financial backers were and what influenced their decision to contribute from as far afield as New York Buenos Aires Cape Town and Melbourne

'As I was Among the Captives' Joseph Campbell, 2001 Joseph Campbell 1879-1944 was a talented poet reared in Catholic Belfast who became a pioneer of Irish Studies in the United States His reputation as an Irish Irelander was gained in London but in 1921 he settled outside Dublin and soon became active in radical nationalism In the revolutionary years he became a republican justice and local councillor in Co Wicklow Having opposed the Anglo Irish Treaty he was arrested in Bray spending the entire Civil War interned in Mountjoy and Tintern on the Curragh Campbell's voluminous diaries cannily concealed from his captors provide much more than a chronicle of events and experiences Being the work of a skilled writer and acute observer they offer revealing cameos of his republican colleagues vivid notes of personal conversations and imaginative reflections on the psychological effects of incarceration Sympathetically edited by another distinguished poet and scholar this selection from his diaries will fascinate all students of the Irish Civil War

Harry Boland's Irish Revolution David Fitzpatrick, 2004 Along with his close comrades Michael Collins and Eamon de Valera Harry Boland 1887-1922 was probably the most influential Irish revolutionary between 1917 and 1922 His sway extended to almost every aspect of republican activity Already prominent as a hurler before 1916 he was convicted and imprisoned after an energetic Easter Week He subsequently became Honorary Secretary of Sinn Féin TD for South Roscommon in the First Dail President of the

Irish Republican Brotherhood's Supreme Council and a republican envoy in the United States between May 1919 and December 1921. He broke with Collins over the Treaty but became the chief intermediary between the factions. Early in the Civil War, however, he was killed by National Army officers in the Grand Hotel Skerries. Boland's influence was the product of charm, gregariousness, wit, and ruthlessness. After his rebel father's early death, Boland's mother raised him in a spirit of intransigent hostility to Britain. Yet he was also stylish, cosmopolitan, and humane. His celebrated contest with Collins for the love of Kitty Kiernan is perhaps the most intriguing of all Irish political romances. Attractive yet elusive, his personality helped shape the Irish revolution. David Fitzpatrick's biography draws upon documents in Irish, British, and American archives, including his American diaries and thousands of letters to and from Boland. Extensive use has been made of family papers and de Valera's vast archive on the Irish campaign in America. These and other recently released documents illuminate the inner workings of Irish republicanism and the critical importance of brotherhood in the revolution. As an old-fashioned republican and advocate of physical force, Boland is still venerated as a martyr by revolutionary republicans. Yet in his conduct, he practised the ambiguities associated with Sinn Féin in today's Northern Ireland. Doctrine was subordinated to the twin quests for republican unity and political supremacy, entailing reiterated compromise, systematic duplicity, and mastery of propagandist techniques. If his outlook seems archaic, his practice was astonishingly modern. Harry Boland was a forerunner for Adams and McGuinness. Publisher description

The Men Will Talk to Me: Galway Interviews by Ernie O'Malley Ernie O'Malley, 2013-02-01 For the first time in published form, *The Men Will Talk to Me: Galway Interviews* chronicles the experiences of the Galway-based survivors of the War of Independence and the Civil War, recorded in the handwritten notebooks of Ernie O'Malley. Many of the individuals would not talk about their experiences even to their own families, but were willing to talk to Commandant General O'Malley, the senior surviving Republican military commander who took on the task of preserving the memories of these participants. The resulting O'Malley notebooks provide an unrivalled insight into this important period of Irish history, including the attack on Clifden and life on the run for the Galway IRA volunteers.

Genesis of the Rising, 1912-1916 Christopher M. Kennedy (Ph. D.), 2010 The Easter Rising of 1916 had a lasting effect upon Ireland, with many viewing it as a watershed in the history of modern Ireland and concurring with Yeats that a terrible beauty was born. Seeking to clarify the state of nationalist opinion in the period before the Rising, *Genesis of the Rising* is as much an undertaking in social psychology as it is a social and political history. It strives to debunk many longstanding theories, most significantly the turning of the tide thesis, which asserts that British blunders in the wake of the failed Rising turned the tide in public opinion toward the course envisioned by the Rebels. *Genesis of the Rising* contends that as early as 1912, with the introduction of the Third Home Rule Bill through the start of the Great War and right up to Easter 1916, the tide in nationalist opinion had been turning, albeit silently, and that the Rising was a catalytic force that accelerated an already ongoing process. It reveals a dichotomy in nationalist opinion between covert views and misleading overt opinion.

when it suggests that it was the Rising and the executions that subsequently forced nationalist opinion to show its true colors In effect the tide had begun to turn long before Easter 1916 and constitutional nationalism as represented by the Third Home Rule Bill and the Irish Parliamentary Party was giving way to some aspect of physical force nationalism *Who's who in the Irish War of Independence, 1916-1921* Padraic O'Farrell,1980

The Pedagogy of Protest Brendan Walsh,2007 This book provides the first complete account of Patrick Pearse s educational work at St Enda s and St Ita s schools Dublin Extensive use of first hand accounts reveals Pearse as a humane energetic teacher and a forward looking and innovative educational thinker Between 1903 and 1916 Pearse developed a new concept of schooling as an agency of radical pedagogical and social reform later echoed by school founders such as Bertrand Russell This placed him firmly within the tradition of radical educational thought as articulated by Paulo Freire and Henry Giroux The book examines the tension between Pearse s work and his increasingly public profile as an advocate of physical force separatism and by employing previously unknown accounts questions the perception that he influenced his students to become active supporters of militant separatism The book describes the later history of St Enda s revealing the ambivalence of post independence administrations and shows how Pearse s work which has long been neglected by historians has had a direct influence on a later generation of school founders up to the present

Armed Struggle Richard English,2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster The Times An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald Observer Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart Irish Times The one book I recommend for anyone trying to understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of Angela s Ashes

Freedom and the Fifth Commandment Brian Heffernan,2016-09-30 The guerilla war waged between the IRA and the crown forces between 1919 and 1921 was a pivotal episode in the modern history of Ireland This book addresses the War of Independence from a new perspective by focusing on the attitude of a powerful social elite the Catholic clergy The close relationship between Irish nationalism and Catholicism was put to the test when a pugnacious new republicanism emerged after the 1916 Easter rising When the IRA and the crown forces became involved in a guerilla war between 1919 and 1921 priests had to define their position anew Using a wealth of source material much of it newly available this book assesses the clergy s response to political violence It describes how the image of shared victimhood at the hands of the British helped to contain tensions between the clergy and the republican movement and shows how the links between

Catholicism and Irish nationalism were sustained **Informers in 20th Century Ireland** Angela Duffy, 2018-07-10

Informers have been active during many periods of unrest in Ireland but until Tudor times they had never been an organized phenomenon until the twentieth century The decision or refusal to inform is dangerous thus the motives of the informers are compelling as is their ability to deceive themselves Drawing on firsthand and newspaper accounts of the Easter Rising and other events this book provides a history of the gradual development of informing in Ireland Each informer's story details their life and secrets and the outcome of their actions All of them have shared two experiences the accusation of informing whether true or false and betrayal whether committed or endured **A Viceroy's Vindication?** Sir Henry Sidney, 2002

Three times Viceroy Sir Henry Sidney was a key figure in the Elizabethan conquest of Ireland Sidney's account of his public career in Ireland written in the winter of 1582-3 is one of the earliest political memoirs in English literature It is unique among early memoirs in its size richness of detail and apparent fidelity to the factual record Composed in plain prose and consciously shorn of decoration and classical allusion his narrative presents an individual with attitudes and preoccupations at odds with the zealous advocates of military conquest and religious oppression so often portrayed by historians By exploring its emphases omissions and deviations from the recorded sequence of events the editor's introduction reveals a surprisingly complex set of Elizabethan perceptions and prejudices about Ireland This memoir last edited for publication in the mid nineteenth century is an essential source for the study of the English in Ireland *The West must wait* Una

Newell, 2016-09-15 *The West must wait* presents a new perspective on the development of the Irish Free State It extends the regional historical debate beyond the Irish revolution and raises a series of challenging questions about post civil war society in Ireland Through a detailed examination of key local themes land poverty politics emigration the status of the Irish language the influence of radical republicans and the authority of the Catholic Church it offers a probing analysis of the socio political realities of life in the new state This book opens up a new dimension by providing a rural contrast to the Dublin centred views of Irish politics Significantly it reveals the level of deprivation in local Free State society with which the government had to confront in the west Rigorously researched it explores the disconnect between the perceptions of what independence would deliver and what was achieved by the incumbent Cumann na nGaedheal administration **Truce:**

Pádraig Óg Ó Ruairc, 2016-01-22 On 8 July 1921 a Truce between the IRA and British forces in Ireland was announced to begin three days later However in those three days at least sixty people from both sides of the conflict were killed In *Truce* Pádraig Ó Ruairc goes back to the facts to reveal what actually happened in those three bloody days and why What sparked Belfast's Bloody Sunday in 1921 the worst bout of sectarian violence in Northern Ireland's troubled history Why were four unarmed British soldiers kidnapped and killed by the IRA in Cork just hours before the ceasefire began Who murdered Margaret Keogh a young Dublin rebel in cold blood on her own doorstep Were the last spies shot by the IRA really working for British intelligence or just the victims of anti Protestant bigotry This book answers these questions for the first time and

separates fact from fiction to find out what really happened in the final battles between the IRA and the British forces

Boy Republic Brendan Walsh, 2013-06-19 Patrick Pearse teacher poet and one of the executed leaders of the 1916 Rising has long been a central figure in Irish history The book provides a radically new interpretation of Patrick Pearse's work in education and examines how his work as a teacher became a potent political device in pre-independent Ireland The book provides a complete account of Pearse's educational work at St Enda's school Dublin where a number of insurgents such as William Pearse Thomas McDonagh and Con Colbert taught The author draws upon the recollections of past pupils employees descendants of those who worked with Pearse founders of schools inspired by his work including the descendants of Thomas McSweeney and Louis Gavan Duffy and a vast array of primary source material to provide a comprehensive account of life at St Enda's and the place of education within the Irish Ireland movement and the struggle for independence **Historical**

Dictionary of Ireland Frank A. Biletz, 2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of Historical Dictionary of Ireland is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross-referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland **Who's who in the Irish**

War of Independence and Civil War, 1916-1923 Padraic O'Farrell, 1997 This work deals with the personalities involved on both sides of the Irish War of Independence and Civil War listing not only the main activists but many other combatants who played supporting but equally important roles in the conflict The work draws on both public and private sources including archives records and journals of the Royal Irish Constabulary Dublin Metropolitan Police Royal Ulster Constabulary Irish Defence Forces and the British Army The book refers to interviews conducted by the author with celebrated people who took prominent parts on the national scene as well as minor participants in long forgotten incidents The former include Sean MacBride Peadar O'Donnell Todd Andrews General Michael Brennan Lt Gen M J Costello Colonel Dan Bryan Sheila Humphreys Maire Comerford Liam O'Flaherty Sean Dowling and close relatives of Sean MacEoin and Ernie O'Malley whose biographies the author has also written
