slowly with slumped shoulders and drag his feet In a long drawn out melancholy way he would announce I m a polar bear today My penguin would quickly gather his belongings and burst out the door waddling like a penguin all the way to the bus stop He would wave to me and say Today I feel like a penguin and I m ready for the day This morning routine didn t eliminate all their anxiety about going to school It did however allow them to identify their feelings It was important to me that my boys understood their feelings were valid and they were loved and supported regardless of the animal they chose It became a silly and fun teaching game for our family It is my hope that your family will enjoy this book and continue this tradition within your home Now it s your turn you tell me penguin or polar bear which will you be Brenda Jones
