In the Almost Promised Land Hasia R. Diner,1995-10 Seeking the reasons behind Jewish altruism toward African Americans Hasia R. Diner shows how in the wake of the Leo Frank trial and lynching in Atlanta Jews came to see that their relative prosperity was no protection against the same social forces that threatened blacks Jewish leaders and organizations genuinely believed in the cause of black civil rights Diner suggests but they also used that cause as a way of advancing their own interests launching a vicarious attack on the nation that they felt had not lived up to its own ideals of freedom and equality

Ostkrieg Stephen G. Fritz,2011-09-08 On June 22 1941 Germany launched the greatest land assault in history on the Soviet Union an attack that Adolf Hitler deemed crucial to ensure German economic and political survival As the key theater of the war for the Germans the eastern front consumed enormous levels of resources and accounted for 75 percent of all German casualties Despite the significance of this campaign to Germany and to the war as a whole few English language publications of the last thirty five years have addressed these

pivotal events In Ostkrieg Hitler's War of Extermination in the East Stephen G Fritz bridges the gap in scholarship by incorporating historical research from the last several decades into an accessible comprehensive and coherent narrative His analysis of the Russo German War from a German perspective covers all aspects of the eastern front demonstrating the interrelation of military events economic policy resource exploitation and racial policy that first motivated the invasion This in depth account challenges accepted notions about World War II and promotes greater understanding of a topic that has been neglected by historians
