Political Marketing A Comparative Perspective

Adrian Sargeant, Walter Wymer Jr

Political Marketing A Comparative Perspective:

Political Marketing Darren G. Lilleker, Jennifer Lees-Marshment, 2005-08-06 Political marketing has become a global phenomenon as parties try to copy the market oriented approach employed by Tony Blair to win power for New Labour in 1997 It raises fresh perspectives on the more established political marketing practices in the UK and US such as how to incorporate political leadership within the market oriented framework and the democratic implications when faced with the actual business of governing This book also highlights how the market oriented party approach has spread around the world including Europe and the new democracies of Brazil and Peru The collection also introduces the debate on whether such practices enhance or undermine democracy raising important questions on the future of political marketing *Political Marketing* Jennifer Lees-Marshment, 2009-09-10 This book is the first comprehensive textbook on political marketing Drawing on the latest theoretical work and applying it to a wide variety of international case studies it provides an essential resource for all students of political marketing The Political Marketing Game J. Lees-Marshment, 2011-03-29 The Political Marketing Game identifies what works in political marketing drawing on 100 interviews with practitioners It also shows that authenticity values and vision are as much a part of a winning strategy as market savvy pragmatism The Political Marketing Revolution Jennifer Lees-Marshment, 2004-10 This book shows how British politics is being transformed from a leadership run system to one dictated by public needs and demands No longer confined to party politics organizations including the monarchy the BBC universities local councils charities and the Scottish Parliament are adopting the tools of market intelligence to understand their market needs and demands The political marketing revolution raises many questions such as whether the student or patient really does know best and can decide his own education and health care The book calls for a debate about the movement of the British political system towards a market orientation and a re negotiation of the relationship between leaders and the market While recognizing the need for political leaders to listen this debate places some responsibilities on the political consumer looking to create a new relationship that might work more effectively for both sides **Routledge Handbook of Political Marketing** Jennifer Lees-Marshment, 2012-03-12 With the Obama campaign universally acknowledged as the most successfully marketed presidential campaign of all time the future of political marketing is fiercely contested provoking a wealth of high quality scholarship from across the globe This work provides an accessible introduction to the field international in both content and authorship which will set the direction of future research Routledge Handbook of Political Marketing contains cutting edge contributions written by academic experts and informed practitioners but will also have a cohesive structure containing emerging areas and authors alongside established ones The handbook addresses the practicalities as well as the broader impact of political marketing on politics including its role in the changing relationship between political leaders parties and voters With each chapter providing a comparative and carefully structured discussion of a key topic the handbook examines issues within the following broad themes

Understanding the market gathering ideas and debate Product development branding and strategy Internal Marketing Communicating and connecting with the public Government Marketing delivery policy and leadership With each chapter written to a common template presenting new research and contemporary case studies the handbook combines a succinct presentation of the latest research with an accessible and systematic format that will be of great interest to scholars and practitioners alike

Political Marketing in Canada Alex Marland,Thierry Giasson,Jennifer Lees-Marshment,2012-02-15 Political parties worldwide are using marketing tools such as targeting and segmentation to win elections Are these strategies making politicians and governments more responsive to voters needs or do they pose a threat to democracy Political Marketing in Canada the first book to ask this question of Canada considers the consequences of political marketing in the realms of public policy leadership and the government citizen relationship Through dynamic case studies that range from the resurrection of the Conservative Party to media accounts of political marketing to Tim Hortons as a political brand the authors trace how political marketing is transforming the old system of brokerage politics into a new distinctly Canadian model Citizens are now viewed as consumers and platforms and promises have been repackaged as products Whether this trend is positive or negative the authors argue depends on how politicians and governments carry out political marketing and its promises in practice
