Radiance Of The King:

The Radiance of the King Laye Camara, 2001 At the beginning of this masterpiece of African literature Clarence a white man has been shipwrecked on the coast of Africa Flush with self importance he demands to see the king but the king has just left for the south of his realm Traveling through an increasingly phantasmagoric landscape in the company of a beggar and two roguish boys Clarence is gradually stripped of his pretensions until he is sold to the royal harem as a slave But in the end Clarence s bewildering journey is the occasion of a revelation as he discovers the image both shameful and beautiful of his own humanity in the alien splendor of the king *The Facts on File Companion to the World Novel* Michael Sollars, Arbolina Llamas Jennings, 2008 *The Radiance of the King* Camara Laye, 1965 *Le Regard Du Roi. The Radiance of the King. Translated ... by James Kirkup. A. Ramsaran, 1972 The Radiance of the King Laye Camara, 1965 Obumsele on African Literature Isidore Diala, 2019-02-13 This compendium brings together in one volume for the first time Obumsele s highly celebrated work on African literature With the dialectic of cultures as the presiding preoccupation of his work and appraising the place of African literature in the universal scheme of cultural interchange his critical speciality Obumsele espoused a scholarship with a necessarily indispensable comparative dimension as the articles anthologised in this volume as African literature reveal The expertise with which he explores the oeuvres of many Western writers because of the light they shed on the creative endeavours of African writers is offset only by the rigour with which he explores the transformative impact of indigenous African literature on the craft of many distinguished African writers Obumsele s discovery of a tradition of the African novel almost entirely rooted in the poetics of African folklore which began with Mofolo and Plaatje and blossomed in Camara Laye and Ben Okri is a highlight of his incisive scholarship and reverberates through many of the works here The originality of his insights his analytic rigour the catholicity of his tastes and competences and the power and grace of his expression make this volume compelling **Relations of Power in Early Neo-Assyrian State Ideology** Mattias Karlsson, 2016-03-07 This volume examines the state ideology of Assyria in the Early Neo Assyrian period 934 745 BCE focusing on how power relations between the Mesopotamian deities the Assyrian king and

foreign lands are described and depicted It undertakes a close reading of delimited royal inscriptions and iconography making use of postcolonial and gender theory and addresses such topics as royal deification religious imperialism ethnicity and empire and gendered imagery The important contribution of this study lies especially in its identification of patterns of ideological continuity and variation within the reigns of individual rulers between various localities and between the different rulers of this period and in its discussion of the place of Early Neo Assyrian state ideology in the overall development of Assyrian propaganda It includes several indexed appendices which list all primary sources present all divine and royal epithets and provide all of the royal visual representations and incorporates numerous illustrations such as maps plans and royal iconography
