practice Looking toward the future **Search for Mother Journaling** Valerie Albrecht,2015-01-22 In her first book Search for Mother author Valerie Albrecht related her natural therapy birthing work in Australia India and North America Through this she unearthed profound questions about the idea of mother her forms her essences her joy and her dualities Valerie s work writing and relationship with her own mother brought a longing to connect with the who and why of mother the one we have the one we yearn for the one we become and the one we strive to be Responding to the need to fathom mother and to puzzle out the persistent emergence of complexity and dichotomies in motherhood Albrecht presents this companion volume It offers a structure and writing process for the exploration of mother through organizing our experiences with our Mothers of Origin the forms in which we encounter her in our lives and with our Mothers of Power the intrinsic natures and essences of her which we may or may not have encountered By reflecting on and journaling these mother connections it is Valerie s heartfelt hope that we deepen our knowledge of motherhood embrace our mother experiences both positive and negative enhance and inspire our innate resources to mother ourselves and others **Advanced Practice Nursing: Essential Knowledge for the Profession** Susan M. DeNisco,2019-10-11 Advanced Practice Nursing Essential Knowledge for the Profession Fourth Edition is a core advanced practice text used in both Master s Level and DNP programs **Nursing as Ministry** Kristen L. Mauk,Mary Hobus,2019-10-01 Designed to be a student friendly textbook for faith based schools this first edition text focuses on nursing as ministry not just spiritual care **Wide Open Spaces** Jim Palmer,2007-12-02 Jim Palmer s critically acclaimed Divine Nobodies was only half the story the deconstruction and shedding of a religious mentality that hindered his knowing God In his next book Jim takes the reader along into the wide open spaces of exploring and experiencing God beyond religion Jim writes It is no secret that God can be lost beneath the waving banner of religion Divine Nobodies is my story of how this happened to me Sometimes you have to disentangle God from religion even Christ from Christianity to find the truth With the help of some unsuspecting nobodies I uncovered a new starting line with God As I ve put one foot in front of another I ve experienced God in ways that are deeply transforming Each chapter revolves around a central question related to knowing God on fresh terms Is God a belief system Is the Bible a landing strip or launching pad Can what we re feeling inside be God Are we too religiously minded to be any earthly good Brian McLaren wrote I am tempted to say that Jim Palmer could well be the next Don Miller but what they have in common along with an honest spirituality and extraordinary skill as storytellers is a unique voice The Library Reviews said of him Jim Palmer s casual yet compelling writing style cuts through the religious rhetoric and gets to the real issues readers will love this author His sense of humor is alternately mixed with shocking sentences and poignant moments Laced throughout is a refreshing honesty that ties his ideas together with a ribbon of reality each turn of the page strips away a little more of the contrived mystery of Christianity until the simplicity and sincerity of it stands in realistic splendor More and more people seek a deeper spirituality beyond status quo religion Others are left empty and weary from a shallow and narrow pop Christianity Palmer

says that God's kingdom of love, peace, and freedom can be a present reality in any person's life. He proclaims that God is indeed in the process of birthing something deep and wide among unlikely people in unconventional ways, which is changing the world one person at a time.

Research Methods in Language Teaching and Learning Kenan Dikilitas, Kate Mastruserio Reynolds, 2022-01-13. A practical guide to the methodologies used in language teaching and learning research, providing expert advice and real-life examples from leading TESOL researchers. *Research Methods in Language Teaching and Learning* provides practical guidance on the primary research methods used in second language teaching, learning, and education. Designed to support researchers and students in language education and learning, this highly accessible book covers a wide range of research methodologies in the context of actual practice to help readers fully understand the process of conducting research. Organized into three parts, the book covers qualitative studies, quantitative studies, and systematic reviews. Contributions by an international team of distinguished researchers and practitioners explain and demonstrate narrative inquiry, discourse analysis, ethnography, heuristic inquiry, mixed methods, experimental, and quasi-experimental studies, and more. Each chapter presents an overview of a method of research, an in-depth description of the research framework or data analysis process, and a meta-analysis of choices made and challenges encountered. Offering invaluable insights and hands-on research knowledge to students and early career practitioners alike, this book focuses on the research methods, techniques, tools, and practical aspects of performing research. Provides firsthand narratives and case studies to explain the decisions researchers make. Compares the relative strengths and weaknesses of different research methods. Includes real-world examples for each research method and framework to highlight the context of the study. Includes extensive references, further reading suggestions, and end-of-chapter review questions. Part of the *Guides to Research Methods in Language and Linguistics* series. *Research Methods in Language Teaching and Learning* is essential reading for students, educators, and researchers in all related fields, including TESOL, second language acquisition, English language teaching, and applied linguistics.
