Radical Love Wisdom From Dorothy Day:

Wisdom from Dorothy Day Dorothy Day, Patricia Mitchell, 2000 Saints and spiritual writers have much to tell us about living the Christian life The Wisdom series condenses the great spiritual truths penned by holy men and women and presents them in a fresh and exciting way These books explore writings as ancient as the church Fathers and as modern as Dorothy Day and Blessed Pope John XXIII **Dorothy Day, Thomas Merton and the Greatest Commandment** Leininger Pycior, Julie, 2020 Catholic Worker leader Dorothy Day and monk author Thomas Merton who gave radical witness to love of God and neighbor in the tumultuous 1960s together come center stage in this compelling account of the visionary duo spotlighted by Pope Francis in his historic address to Congress *Just Peace Theory Book One* Valerie Elverton Dixon, 2012-11 In these essays I often refer to social contracts such as the Declaration of Independence the Constitution of the United States the Universal Declaration of Human Rights and other international conventions that describe a vision of just human relations especially in the area of culture and health care We do not live behind a veil of ignorance where we enter into contemplation of questions of right and wrong without an awareness of our own particularities Moreover we do not always determine what is right based on reason But we do make decisions every day about how we will live within the social contracts that govern our lives Many of us go along to get along with a let's not rock the boat preserve the status quo caution Then there are those of us who use the documents of our social contracts to secure more justice and more peace The purpose is to rock the boat and to disrupt the status quo when it is unjust I understand Christ as a title not as a person It is a designation of an anointing This in my opinion is the anointing of radical love Christ is the human incarnation of divine love We each ought to strive to become this whether or not we are Christian whether or not we are even believers Those of us who are Christians believe that Jesus paid it all There is no more need for blood shed sacrifice Murder is never holy God does not need it or want it Our work now is to become living sacrifices that will redeem this world through justice and peace That is the meaning of these essays From the Introduction *Saints at Heart* Bert Ghezzi, 2019-10-22 Saints at Heart presents an engaging picture of the spiritual life as shown in the experience and writings of the saints The title announces the book's double theme the lives of holy men and women who have consecrated their lives to God and to the possibility of our following them and also dedicating our hearts to God Readers will discover in this book well told and appealing stories of women and men ordinary human beings like themselves who knew God and whose lives as a consequence radiated light love and joy Each story presents the core message of a saint's life and highlights an important spiritual path that readers will be encouraged to follow

discussed throughout the book in its various contexts and different modalities
