Critique and Reformulation

Andrew Sayer

# Radical Political Economy A Critique

**Victor Lippit**

## **Radical Political Economy A Critique:**

Radical Political Economy R. Andrew Sayer, 1995-08-29 This is an accessible trenchant classic cutting edge book of wide interest in the social sciences It features the first post Cold War reformulation of radical political economy from Adam Smith to Marx to Hayek

**Radical Political Economy** Andrew Sayer, 1995-09-06 With the rise of the New Right the demise of state socialism and the development of concerns over the nature of modernity the reception of Marxist and radical theories of capitalist society has become to say the least skeptical In this book Andrew Sayer rethinks and reformulates radical political economy The author argues that Marxist theories of capitalism must learn both from the problems of socialism and more controversially from liberalism In a major critique of Marxist and post Marxist political economy he argues that one of its central problems may be traced to its treatment of the apparently innocuous concept of division of labor This has led he shows to a confusion of the effects of markets and property relations In consequence explanations of uneven development and of the distribution of power in advanced economies are flawed The author illustrates the argument by reference to the study of uneven spatial development He concludes by outlining the constructive potential for a dialogue between radical political economy and liberal thought and between critical social science and normative political philosophy Written in the author's characteristically direct and accessible style this book will be widely read by students of contemporary capitalism and political economy in many disciplines

Radical Political Economy: A Concise Introduction Charles A. Barone, 2015-03-26 This straightforward introduction to radical political economy strikes a balance between breadth and depth and was written for the beginning student and others interested in a relatively short text on radical economics

**Radical Political Economy** Victor Lippit, 2015-03-04 Radical political economy is built upon the formal analysis of neoclassical economics and the tradition of Marxian radical analysis The essays presented in this book offer a representative sampling of the issues and methodologies involved in the study of radical political economy

**Radical Political Economics** Mona Ali, Ann E. Davis, 2024-12-13 This collection of essays engages in the analysis of key concepts concerns and cutting edge insights in radical political economy Offering a robust critique of capitalist institutions as well as of mainstream economics radical political economics reveals the structures and dynamics of global capitalism The attention to method ideology and institutions differentiates it from mainstream approaches to economics which often obfuscate how capitalism actually works While maintaining a central focus on capitalism the analyses in this book encompass a variety of issues from racial discrimination gender inequality to economic development and imperialism Capitalism is an economic system based on the exploitation of workers to generate surplus value profit which is then appropriated by the owners of capital Under global capitalism profit maximization precedes other social concerns such as protection of the environment Political economy understands that social relations are shaped by class race geography and gender Capitalism skews social relations of production and reproduction It perpetuates inequalities along classed gendered racialized and geographic lines Radical

political economy offers ideas and policies to change capitalism in ways that are more beneficial for people and the planet. Incorporating insights from a range of disciplines including history, philosophy, political science, anthropology, sociology, and law, the wide range of topics, diverse set of scholars, and consideration of future political economy formations offers readers a deeper understanding of the contours of contemporary global capitalism and post-capitalist possibilities in the twenty-first century.

**The Morality of Radical Economics** Ron P. Baiman, 2016-08-31. This book is in equal parts a treatise on morality and economics, a critique of neoclassical orthodoxy, a brief for replacing mainstream economics with a radical political economics, and an argument for the abandonment of neoliberal capitalism in favor of democratic socialism. It includes a detailed proposal for a demand and cost alternative to supply and demand analysis and an in-depth technical critique of both neoclassical high theory and applied microeconomic analysis, demonstrating that these are not only infeasible or immoral but have directly contributed to public policy disasters. Further, the book suggests that only a moral economics in the form of radical political economy can address the looming economic and environmental crises of today's world. Baiman begins with an introduction to morality and ethics in both general sciences and in economics in particular. He then guides readers through evidence of how neoclassical economics has not only failed to remain objective and value-free but has become an ideology of apologetics protecting an immoral system. In addition to breaking down real-world examples to demonstrate his assertions, Baiman analyzes a theoretical Utopia design exercise. He concludes by arguing that the only form of economics that supports widely shared human values such as social equity, democracy, and solidarity is so-called radical economics, and that all true economics science should be directed toward achieving more socially productive economic activity. An invaluable guide to morality and economics, this book will appeal to researchers and teachers looking to change the way we think about economics, policy, and society.

**Reading Lists in Radical Political Economics** Union for Radical Political Economics, Sam Rosenberg, 1977. *Contemporary Critiques of Political Economy* Ananta Kumar Giri, 2024-01-23. This book analyzes contemporary critiques of political economy and highlights the challenges to rethinking contemporary discourses and practices. It carries out a multipronged critical and transformative dialogue involving political economy, moral economy, moral sociology, moral anthropology, and spiritual ecology. The authors discuss diverse themes such as the relationship between consciousness and society, the dialogue between Karl Marx and Carl Gustav Jung, a critical sociology of morality and property relations, moral and political economy of the Indigenous peoples, and a critique of modern civilization, economic evaluation, as well as alternative traditions of thinking in Marx, Thoreau, Gandhi, J. C. Kumarappa, Rammanohar Lohia, B. R. Ambedkar, and Jayaprakash Narain. A unique transdisciplinary text, the book brings together authors and approaches from both the Global North and South. It will be indispensable to students, research scholars, and teachers of humanities and social sciences in such fields as economics, sociology, philosophy, cultural studies, and development studies.

**Critical Theory and the Critique of Political Economy** Werner Bonefeld, 2014-05-08. Subversive thought is none other than the cunning of reason when

confronted with a social reality in which the poor and miserable are required to sustain the illusion of fictitious wealth Yet this subsidy is absolutely necessary in existing society to prevent its implosion The critique of political economy is a thoroughly subversive business It rejects the appearance of economic reality as a natural thing argues that economy has not independent existence expounds economy as political economy and rejects as conformist rebellion those anti capitalist perspectives that derive their rationality from the existing conceptuality of society Subversion focuses on human conditions Its critical subject is society unaware of itself This book develops Marx s critique of political economy as negative theory of society It does not conform to the patterns of the world and demands that society rids itself of all the muck of ages and founds itself anew      *Radical Political Economy Since the Sixties* Paul A. Attewell,1984      *Handbook of Alternative Theories of Political Economy* Stilwell, Frank,Primrose, David,Thornton, Tim B.,2022-05-13 This Research Handbook advances entrepreneurship theory in new ways by integrating and contributing to contemporary theories of practice Leading theorists and entrepreneurship experts who are part of the growing Entrepreneurship as Practice EaP research community expertly propose methodologies theories and empirical insights into the constitution and consequences of entrepreneuring practices      **The Morality of Radical Economics** Ron P. Baiman,2016-03-29 This book is in equal parts a treatise on morality and economics a critique of neoclassical orthodoxy a brief for replacing mainstream economics with a radical political economics and an argument for the abandonment of neoliberal capitalism in favor of democratic socialism It includes a detailed proposal for a demand and cost alternative to supply and demand analysis and an in depth technical critique of both neoclassical high theory and applied microeconomic analysis demonstrating that these are not only infeasible or immoral but have directly contributed to public policy disasters Further the book suggests that only a moral economics in the form of radical political economy can address the looming economic and environmental crises of today s world Baiman begins with an introduction to morality and ethics in both general sciences and in economics in particular He then guides readers through evidence of how neoclassical economics has not only failed to remain objective and value free but has become an ideology of apologetics protecting an immoral system In addition to breaking down real world examples to demonstrate his assertions Baiman analyzes a theoretical Utopia design exercise He concludes by arguing that the only form of economics that supports widely shared human values such as social equity democracy and solidarity is so called radical economics and that all true economics science should be directed toward achieving more socially productive economic activity An invaluable guide to morality and economics this book will appeal to researchers and teachers looking to change the way we think about economics policy and society      **The Elgar Companion to Radical Political Economy** Philip Arestis,Malcolm C. Sawyer,1994-01-01 These valuable contributions will be very useful to students and nonspecialists wanting a clear introduction to specific topics or a convenient volume to browse to get a feel for a broader area of study A welcome addition to any library M Perelman Choice an excellent short encyclopedia of radical political economies Even

experienced scholars could read a number of the entries to refresh themselves or to introduce themselves to new areas of inquiry Every university and college library should have a copy William M Dugger Southern Economic Journal Elgar s companions are a joy to read from cover to cover The volume is indexed and belongs in every library William M Dugger Journal of Economic Issues this is a worthwhile volume deserving a browse by anyone with radical pretensions Keith Cowling The Economic Journal This major reference book has been designed to provide a comprehensive coverage of radical political economy International in scope The Elgar Companion to Radical Political Economy includes contributions from a very wide range of specialists who discuss topics ideas and theories in the field Radical political economy is a term used to encompass a range of different schools of thought These include post Keynesian Kaleckian Marxian Institutional Sraffian and other approaches to economics which share the common theme of production rather than the exchange focus of neoclassical and Austrian economics Their concern with the generation and use of the surplus leads them to an interest in dynamics income distribution growth and development and capital accumulation With over 100 entries the companion provides detailed information on a wide range of aspects of radical political economy as well as some important insights into its theoretical underpinning A special feature of the book is its emphasis upon explaining the positive elements in radical political economy As the first book of its kind devoted to radical political economy the companion will be an essential reference source for scholars and students with an interest in the development of economic ideas      Radical Economics Bruce Roberts, Susan Feiner, 2012-12-06      Political Economy and Global Capitalism Robert Albritton, Bob Jessop, Richard Westra, 2010 This volume brings together original and timely writings by internationally renowned scholars that reflect on the current trajectories of global capitalism and in the light of these consider likely possible or desirable futures It offers theory informed writing that contextualizes empirical research on current world historic events and trends with an eye towards realizing a future of human social and economic betterment      **Heterodox Macroeconomics** Jonathan P. Goldstein, Michael G. Hillard, 2009-06-02 This book focuses on an integrated heterodox approach to the original contributions of Keynes Marx and early institutionalists featuring an international set of authors from the US the UK Japan and Korea      **Encyclopedia of Political Economy** Phillip O'Hara, 1999-02-04 Content Description Includes bibliographical references and index      Encyclopedia of Critical Political Science Clyde W. Barrow, 2024-03-14 An indispensable and exemplary reference work this Encyclopedia adeptly navigates the multidisciplinary field of critical political science providing a comprehensive overview of the methods approaches concepts scholars and journals that have come to influence the discipline s development over the last six decades      **The Political Economy of Consumer Behavior** Bruce Pietrykowski, 2009 This book applies insights from the fields of feminist heterodox and behavioral economics to a study of consumption focusing on its construction as a learned activity and a lifestyle choice      **The Economic Ideas of Marx's Capital** Ludo Cuyvers, 2016-09-13 Nearly two hundred years have passed since the birth of Karl Marx and continuing to this day the

influence of his economic views insights and theories can still be felt However since the publication of Das Kapital the scientific community has not been sitting idle it is time to evaluate Marx as an economist and explore what he can bring to modern economic thinking particularly post Keynesian economics Starting with Marx s schemes of reproduction which it is shown are the basis of the linear model of production as used since the 1960s by Piero Sraffa Michio Morishima and others the book reviews and assesses Marx s major economic theses These include the labour theory of value accumulation and technical change and its impact on labour the concept of unproductive labour the tendential falling rate of profits the evolution and determinants of the share of wages in national income as well as short run and long run economic dynamics The Economic Ideas of Marx s Capital updates the theses of the labour theory of value and the conditions for balanced growth using the recent scholarly literature and also further develops issues related to Marx s concept of productive labour Moreover the book analyses the intellectual relationship of Marx s economic theory with post Keynesian neo Marxism particularly in the writings of Michal Kalecki Joan Robinson and others By doing so the book shows the need and possibilities of integrating major insights of Marxist and post Keynesian theory This volume will be of interest to those who wish to explore Marx s economic theories through a non ideological approach as well as students of Marxist economics post Keynesian economics and the history of economic thought

This is likewise one of the factors by obtaining the soft documents of this **Radical Political Economy A Critique** by online. You might not require more period to spend to go to the book instigation as competently as search for them.
