Good Comes First S. Chris Edmonds, Mark S. Babbitt, 2021-09-28 Discover the practical step by step guide to creating a workplace culture that's better for employees customers and stakeholders and your company's bottom line For decades talented people have tolerated old school leaders who put results before respect toxic company cultures and workplaces that suck But those days are over and if leaders want to attract and retain the best employees while improving productivity customer service employee satisfaction and profits it's time for them to create work cultures where good comes first The problem is that because the corporate world has too often been driven primarily by results we seldom ask leaders to change their work cultures Even if we did most leaders don't know how This book provides the actionable inspiration and practical direction needed to make that change happen In *Good Comes First* S Chris Edmonds and Mark S Babbitt go beyond theoretical advice using their combined 50 years of experience to present proven strategies for creating purposeful positive
