*The Raging Grannies* Carole Roy, 2004 Bursting with adventures this is the tale of the Raging Grannies their beginning the invention of their identity and their impact on issues stereotypes media and people **BOOK JACKET** *The Raging Grannies* Carole Roy, 2004 Women fought against slavery and offered shelter to hunted runaways demanded economic justice for the starving or working poor raised their voices when rights were trampled raised their fists when their children were murdered Women s collective acts of resistance have played and continue to play a vital but often unacknowledged role in humanizing social political and economic policies To death danger and oppression women have frequently responded in life affirming ways their contributions concealed in invisibility and silence for too long without stories of resistance and opposition But no more This is the tale of the Raging Grannies Their beginning and growth the invention of their identity the educational and bold potential of their activism the values expressed in their actions and songs and their impact on issues stereotypes media and people At a time when environmental destruction and war threatened when the growing chasm between poor and rich endangered justice a group of women stood up with courageous irreverence to denounce government lies corporate greed and short sightedness and in the process created a new cultural figure that challenged authority as well as stereotypes of women The Grannies distinctive approach is surprisingly popular and effective in sixteen years more than fifty groups of Raging Grannies exist across Canada in the United States and as far away as the UK Australia and Greece Greek Grannies call themselves Furies Their popularity reveals the power of creativity and humour which allow them to claim their space on the political scene refusing to be dismissed or ignored The Raging Grannies both records and celebrates this vibrant activism Bursting with adventures this is the tale of the Raging Grannies their beginning the invention of their identity and their impact on issues stereotypes media and people *Grandmothers and Grandmothering: Creative and Critical Contemplations in Honour of our Women Elders* Kathy Mantas, 2021-10-13 Today more and more grandmothers around the world are taking on varied responsibilities and many roles sometimes concurrently Consequently grandmothers continue to play as in the past an influential role not only in the lives of their grandchildren but also in our communities and in society more broadly *Grandmothers and Grandmothering Creative and Critical Contemplations in Honour of our Women Elders* as the title suggests seeks to pay homage to our grandmothers and their contributions to society As well it aims to explore the textured and complex phenomena of grandmothering from a range of disciplines and cultural perspectives Our hope is that this collection challenges preconceived notions of what it means to be a grandmother and provides insight into the multifaceted nature of grandmothering *Learning and Education for a Better World* Budd L. Hall, Darlene E. Clover, Jim Crowther, Eurig Scandrett, 2013-02-12 This is a book for activists students scholars of social movements and adult education and for the public interested in the contemporary movements of our times From the streets of Barcelona and Athens the public squares in Cairo Tunis and Tripoli the flash mobs and virtual learning of the Occupy movement and the shack dwellers

of South Africa people around the world are organising themselves to take action against the ravages of a capitalism that serves the greedy while impoverishing the rest Social movements have arisen or re arisen in virtually every sector of human activity from concerns about the fate of our planet earth to dignity for those living with HIV AIDS to feeding ourselves in healthier ways and survival in places of violent conflict At the heart of each of these movements are activists and ordinary people learning how to change their lives and how to change the world This book offers contemporary theoretical and practical insights into the learning that happens both within and outside of social movements Social movement scholars present work linked to the arts to organic farming to environmental action to grassroots activists in the Global South to the Arab Spring the Occupy movement the shackdwellers movements school reform and the role of Marx Gramscii and Williams in understanding social movement learning The greatest contribution of this inspiring book is to remind us that learning and education in social movements help to make a difference Not only does this collection enable us to understand how we might theorise and historicise learning in diverse contemporary social movements but its contributors do so with outspoken and passionate commitment to Learning and Education for a Better World Professor Miriam Zukas Executive Dean Birkbeck University of London The burning demand for such a text comes from our contemporary moment that is witness to a world where nearly everything is commercialised marketised or commodified This text shuns an essentialist discourse while simultaneously and masterfully offering unprecedented insights into social movement learning and education The book is numinous Professor Robert Hill University of Georgia USA This is a book we have all been waiting for The editors have brought together an amazing cadre of international adult educators to probe the intersection of social movements and learning and to build theory around the many social actions that are taking place globally A must read for students and professors everywhere Leona English PhD St Francis Xavier University Antigonish NS Canada Accessible engaging often inspirational the essays that comprise Learning and Education for a Better World offer deep insights on the role of social movements as agencies of learning struggle and transformation From case studies that include the occupy movement popular education in Latin America political cinema and the Egyptian Revolution to reflections on resistance aesthetics and the role of organic intellectuals this collection will be of interest to educators social scientists humanists and activists alike An interdisciplinary tour de force Professor William Carroll University of Victoria Canada This is such a timely collection of essays bringing together critical reflections on experiences of social action from across the globe This book is to be commended to the widest possible readership From the Preface by Emeritus Professor Marjorie Mayo Goldsmith s College

**Humour in Political Activism** Majken Jul Sørensen, 2016-08-23 This book analyses how humour in political activism contributes to facilitating outreach mobilisation and the sustaining of cultures of resistance Drawing on examples of attention grabbing stunts from around the world Humour in Political Activism demonstrates how they succeed in turning relations of power upside down The ambiguity and unpredictability of humour Sørensen argues makes it difficult to respond to this form

of political activism when it is performed in public Humorous political stunts can therefore challenge state power help influence changes in law and make significant contributions to the conversations about how societies should be organised The book also investigates the potential risks and limitations of using humour in nonviolent action and what makes humour unique compared with other forms of non humorous political activism      **Unsettling Activisms** May Chazan,Melissa Baldwin,Patricia Evans,2018-08-23 How and why do ordinary women and nonbinary people engage in various forms of social change work at different times in their lives What does it mean for these people to age as activists Unsettling Activisms brings together insights from academics and activists in an intergenerational conversation that addresses these questions Drawing on diverse lived experiences including contributions from leading feminist and age studies scholars this volume investigates how powerful interlocking forms of difference such as gender class race ability ethnicity sexuality and Indigeneity shape the meaning and experience of both ageing and activism This vital resource consists of eight analytic chapters and eight vibrant reflective pieces alongside poignant poetry and photography This collection is best suited for undergraduate and graduate courses in gender studies activist and social movement studies and age and ageing studies

A Song to Save the Salish Sea Mark Pedelty,2016-10-03 On the coast of Washington and British Columbia sit the misty forests and towering mountains of Cascadia With archipelagos surrounding its shores and tidal surges of the Salish Sea trundling through the interior this bioregion has long attracted loggers fishing fleets and land developers each generation seeking successively harder to reach resources as old growth stands salmon stocks and other natural endowments are depleted Alongside encroaching developers and industrialists is the presence of a rich environmental movement that has historically built community through musical activism From the Wobblies Little Red Songbook 1909 to Woody Guthrie s Columbia River Songs 1941 on through to the Raging Grannies formation in 1987 Cascadia s ecology has inspired legions of songwriters and musicians to advocate for preservation through music In this book Mark Pedelty explores Cascadia s vibrant eco musical community in order to understand how environmentalist music imagines and perhaps even creates a more sustainable conception of place Highlighting the music and environmental work of such various groups as Dana Lyons the Raging Grannies Idle No More Towers and Trees and Irthlingz among others Pedelty examines the divergent strategies musical organizational and technological used by each musical group to reach different audiences and to mobilize action He concludes with a discussion of applied ecomusicology considering ways this book might be of use to activists and musicians at the community level      Storying Later Life Gary Kenyon,Ernst Bohlmeijer,William L. Randall,2010-12-20 In its brief but vigorous history gerontology has spawned a broadening range of specializations One of the newest of such specializations is narrative gerontology so named for its emphasis on the biographical or inside dimensions of the experience of aging Telling stories about our world our relationships and ourselves is fundamental to how we make meaning Everything from our history to our religion and our memories to our emotions is linked to the tales we tell ourselves and others about where we have

come from and where we are going They are central to who we are The biographical side of human life is every bit as critical to fathom as the biological side if we seek a more balanced positive and optimistic perspective on what aging is about if we would honor the dignity and complexity the humanity and uniqueness of the lives of older persons no matter what their health or economic standing In this respect a narrative approach is particularly suited to the exploration of such topics as meaning spirituality and wisdom and the connections they share This volume reflects a selection of new directions and insights and constitutes a general broadening and deepening of narrative gerontology exploring its implications for theory and research in the field of aging and for the quality of life of older adults themselves Such deepening indicates a greater refinement of thought method and intervention The evolution of narrative gerontology is also evidenced by a significant increase in the number of faculty and graduate students engaged in research in this area as well as by increasing collaboration among researchers practitioners and administrators in applying narrative insights to contexts such as long term care indeed healthcare in general These initiatives have given rise to the phrase narrative care as core care

**The Grandmothers' Movement** May Chazan, 2015-04-01 At the height of the African AIDS crisis older women mobilized across two continents and an ocean of difference to change the lives of innumerable African women confronting insecurity violence grief and illness In 2006 the Stephen Lewis Foundation launched its Grandmothers to Grandmothers Campaign seeking to organize Canadians in solidarity with Africa's grandmothers older caregivers who had lost their children to AIDS and were left to raise their grandchildren Four years later some 10 000 Canadians had joined the campaign May Chazan's *The Grandmothers Movement* explores the encounters ideas and circumstances that shaped this remarkable story of solidarity and struggle Based on interviews family trees personal journals and archival materials Chazan provides the first analysis of the movement Through personal reflections and powerful vignettes from nearly a decade of participation in grandmothers' lives in South Africa and Canada she presents untold narratives and brings new humanity to the AIDS crisis in Africa The *Grandmothers Movement* tells a story of hope while challenging conventional understandings of the global AIDS response solidarity and old age It is about the power of older women to alter their own lives through collective action and about the influence of transnational cooperation to effect positive global change

*Grandmother Power* Paola Gianturco, 2012-09-18 Whether fighting for the environment human rights education health or cultural preservation a new generation of activist grandmothers across the world are using their strength wisdom and hearts to make a difference An unheralded grandmothers movement is changing the world Insurgent grandmothers are using their power to fight for a better future for grandchildren everywhere And they are succeeding *Grandmother Power* profiles activist grandmothers in fifteen countries on five continents who tell their compelling stories in their own words Grandmothers in Canada Swaziland and South Africa collaborate to care for AIDS orphans Grandmothers in Senegal convince communities to abandon female genital mutilation Grandmothers in India become solar engineers and bring light to their villages while those in Peru Thailand and Laos sustain

weaving traditions Grandmothers in Argentina teach children to love books and reading Other Argentine grandmothers continue their 40 year search for grandchildren who were kidnapped during the nation's military dictatorship Irish grandmothers teach children to sow seeds and cook with fresh local ingredients Filipino grandmothers demand justice for having been forced into sex slavery during World War II Guatemalan grandmothers operate a hotline and teach parenting In the Middle East Israeli grandmothers monitor checkpoints to prevent abuse and the UAE's most popular television show stars four animated grandmothers who are surprised by contemporary life Indigenous grandmothers from thirteen countries conduct healing rituals to bring peace to the world Gianturco's full color images and her heroines amazing tales make Grandmother Power an inspiration for everyone and it cements the power of grandmothers worldwide Please visit <http://globalgrandmotherpower.com> for additional information All author royalties will be donated to the Stephen Lewis Foundation's Grandmothers to Grandmothers campaign which provides grants to African grandmothers who are raising AIDS orphans
