Ronson, 2013-06-20 If some authorities say the political history is Ronson's interpretation then ask them why the facts are found in the World Almanac Controversial issues in politics and greed dominate our society with power struggles for change My book tries to show how past mistakes lead up to how our system is working now but also discusses what I think are enjoyable films that adequately entertain the average person looking for temporary escapism Most critics or journalists analyze evaluate and review films in terms of production values or political reasons I simply buy a ticket and walk in as a member of the audience After the movie asking myself questions how well I liked it is what I pass on to the viewer

Widescreen Cinema John Belton, 1992 Ladies and gentlemen THIS IS CINERAMA With these words on September 30 1952 the heavy red curtains in New York's Broadway Theatre opened on a panoramic Technicolor image of the Rockaways Playland Atom Smasher Roller Coaster and moviegoers were abruptly plunged into a new and revolutionary experience The cinematic transformation heralded by this giddy ride was however neither as sudden nor as straightforward as it seemed Widescreen Cinema leads us through the twists and turns and decades it took for film to change its shape and along the way shows how this fitful process reflects the vagaries of cultural history Widescreen and wide film processes had existed since the 1890s Why then John Belton asks did 35mm film become a standard Why did a widescreen revolution fail in the 1920s but succeed in the 1950s And why did movies shrink again in the 1960s leaving us with the small screen multiplexes and mall cinemas that we know today The answers he discovers have as much to do with popular notions of leisure time and entertainment as with technology Beginning with film's progress from peepshow to projection in 1896 and focusing on crucial stages in film history such as the advent of sound Belton puts widescreen cinema into its proper cultural context He shows how Cinerama CinemaScope Vista Vision Todd AO and other widescreen processes marked significant changes in the conditions of spectatorship after World War II and how the film industry itself sought to redefine those conditions The technical the economic the social the aesthetic every aspect of the changes shaping and reshaping film comes under Belton's scrutiny as he reconstructs the complex history of widescreen cinema and relates this history to developments in mass produced leisure time entertainment in the twentieth century Highly readable even at its most technical this book illuminates a central episode in the evolution of cinema and in doing so reveals a great deal about the shifting fit between film and society

American Blockbuster Charles R. Acland, 2020-07-24 Ben Hur 1959 Jaws 1975 Avatar 2009 Wonder Woman 2017 the blockbuster movie has held a dominant position in American popular culture for decades In American Blockbuster Charles R Acland charts the origins impact and dynamics of this most visible entertaining and

disparaged cultural form Acland narrates how blockbusters emerged from Hollywood's turn to a hit driven focus during the industry's business crisis in the 1950s Movies became bigger louder and more spectacular They also became prototypes for ideas and commodities associated with the future of technology and culture accelerating the prominence of technological innovation in modern American life Acland shows that blockbusters continue to be more than just movies they are industrial strategies and complex cultural machines designed to normalize the ideologies of our technological age **French B**

Movies David A. Pettersen,2023-03-07 In the impoverished outskirts of French cities known as the banlieues minority communities are turning to American culture history and theory to make their own voices cultures and histories visible Filmmakers have followed suit turning to Hollywood genre conventions to challenge notions of identity belonging and marginalization in mainstream French film French B Movies proposes that French banlieue films far from being a fringe genre offer a privileged site from which to understand the current state of the French film industry in an age of globalization This gritty style appears in popular arthouse films such as Mathieu Kassovitz's La Haine and Bande de filles Girlhood along with the major Netflix hit series Lupin David Pettersen traces how in these works and others directors fuse features of banlieue cinema with genre formulas associated with both Hollywood and Black cultural models as well as how transnational genre hybridizations such as B movies have become part of the ecosystem of the French film industry By combining film analysis cultural history critical theory and industry studies French B Movies reveals how featuring banlieues is as much about trying to imagine new identities and production models for French cinema as it is about representation New
